- *This question is only presented to a survey respondent when a Medicare Administrative Contractor (MAC) is not able to pass embedded data to Qualtrics that identifies the specific jurisdiction for which the survey respondent is providing feedback.*
- *The answer choices represent the universe of MAC jurisdictions. However, the list will be filtered based on the jurisdictional contracts and the services offered by a particular MAC. For example, a survey respondent will only see the choices Jurisdiction K or Jurisdiction 6 if they are visiting the portal of the contractor responsible for those jurisdictions. }*
