Port(s) of entry where importation/exportation is requested (See Section E instructions):					
Address one of the following as the primary reason for your request to be allowed an exception from the designated port requirement. Supporting documentation must include current information and should be attached to this application. All supporting documentation that is attached will be considered a part of the application.					
Scientific Purposes (50 CFR 14.31): Provide a detailed written statement of the scientific purpose or use of the wildlife to be imported or exported outlining the benefits to the bona fide research project and white importation or exportation should be allowed at the requested port rather than a FWS designated port.					
Statement, as described above, is attached. No permit will be issued without this statement.					
To minimize deterioration or loss (50 CFR 14.32): Provide a detailed written statement for the purpose or use of the wildlife to be imported or exported, and show how import or export at a designated port would result in substantial deterioration or loss of wildlife (attach copies of carrier routings/schedules/timelines/etc. to show the difference in travel time between designated ports and requested FWS non-designated port listed in the table above). NOTE: provide a separate written statement specific to every FWS non-designated port location requested in Question 1.					
Statement(s), as described above, are attached. No permit will be issued without the statement(s).					
To alleviate undue economic hardship (50 CFR 14.33): Include a detailed written statement that provides a description of the form in which the item(s) are to be imported/exported (live, frozen, raw hides, full description of any manufactured products – can also use #8 and #9 below). Information must be included to show the monetary difference between the cost of importation or exportation at the port requested and the lowest cost of importation or exportation at a designated port (attach copies of quotes from common carriers/freight forwarders, etc.). NOTE: provide a separate written statement specific to every FWS non-designated port location requested in Question 1.					
Statement(s), as described above, are attached. No permit will be issued without the statement(s).

OMB Control No. 1018-0092

PERMIT APPLICATION FORM INSTRUCTIONS

The following instructions pertain to Form 3-200-2 that must be completed as an application for a U.S. Fish and Wildlife Service Designated Port Exception Permit. Reminder: It is a violation to import or export fish and/or wildlife through any port listed on page 2 of this application prior to obtaining an Designated Port Exception Permit.

GENERAL INSTRUCTIONS:

- Complete all applicable blocks/lines/questions in Sections A through E.
- An incomplete application may cause delays in processing or may be returned to the applicant.
- Be sure you are completing the appropriate application form for the proposed activity.
- Print clearly or type in the information. Illegible applications may cause delays.
- Sign the application. Scans, faxes or copies of the original signature will not be accepted.
- No Designated Port Exception Permit will be issued if any information is missing from the application or if justification in Question E2 is incomplete.
- Mail the original application to the appropriate address on the attached address list.
- Keep a copy of your completed application.
- Allow at least 60 days for your application to be processed. (50 CFR 13.11)
- Applications are processed in the order they are received.

COMPLETE SECTION A (ONLY if applying as an individual – e.g. noncommercial import/export):

- Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant.
- If you are a **U.S. Agent applying on behalf of a foreign entity**, the personal information must pertain to the foreign entity, and a document evidencing power of attorney must be included with the application.

COMPLETE SECTION B:

- Enter the complete name of the business who will be the permittee if a Designated Port Exception Permit is issued.
- Except for U.S. Agent applying for a foreign entity, we no longer will accept applications signed by anyone other than the sole owner or principal officer. 50 CFR 13.12 clearly states that the applicant must certify they read and are familiar with applicable parts of subchapter B of Chapter I of Title 50, Code of Federal Regulations. No broker, freight forwarder, etc., can certify in the applicant's place. This section of the regulations also calls for the signature of the applicant.
- Give a brief description of the type of business in which the applicant is engaged (e.g. Taxidermy, Jewelry, Apparel, etc.).
- **Doing business as (dba)**: dbas are not accepted. The name on the Designated Port Exception Permit must match any I/E License (if applicable), invoice(s) and other shipping documents that accompany the shipment to or from the United States.
- **Principal Officer** is the person in charge of the listed business. The principal officer is the person responsible for the application and any permitted activities. Often the principal officer is a Director or President. **Primary Contact** is the person at the business who will be available to answer questions about the application or permitted activities.
 - o **Primary Contact for foreign entity** is the U.S. Agent who will be available to answer questions about the application or permitted activities and can be the preparer of the application.

COMPLETE SECTION C:

- This is the address of the applicant where you will receive all official notices sent from the Service, which must match the invoice(s) and other shipping documents that accompany the shipment to or from the United States.
 - o **Foreign entities:** This is the foreign address of the applicant, which must match the invoice(s) and other shipping documents that accompany the shipment to or from the United States. This is not the address that will show up on the Designated Port Exception Permit, if issued. The U.S. Agent's address will be used to send the Designated Port Exception Permit and all other official notices from Service. Your Designated Port Exception Permit will read: Foreign Entity c/o U.S. Agent Name, U.S. Agent Address, City, State, Zip Code.

Application processing fee:

• An application processing fee is required at the time of application. The fee does not guarantee the issuance of a permit. Fees will not be refunded for applications that are approved, abandoned, or denied. We may return fees for withdrawn applications if no significant processing has occurred.

Federal Fish and Wildlife permits:

• List the number of your most recent Permit/License even if it is no longer valid.

CERTIFICATION:

- The individual identified as sole owner or principal officer must sign and date the application. This signature binds the applicant to the statement of certification. This means that you certify that you have read and understand the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing the application.
 - o **Foreign entities**: The U.S. Agent designated in Question 12 can sign on your behalf. A copy of a Power of Attorney naming the foreign entity and the U.S. Agent must accompany this application. You must provide (in writing) a revised list of additional partner(s) or principal officer within 10 days of any changes.

COMPLETE SECTION E:

- All questions must be answered. Provide additional pages as necessary.
 - Foreign Entities U.S. Agent designated in E 12 will be where you will receive all official notices sent from the Service. Your Designated Port Exception Permit will read: Foreign Entity c/o U.S. Agent Name, U.S. Agent Address, City, State, Zip Code.
 - O You must notify FWS/OLE immediately of any change in U.S. Agent.

NOTICES

PRIVACY ACT STATEMENT

Authority: The information requested is authorized by the following: the Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22; the Endangered Species Act (16 U.S.C. 1531-1544), 50 CFR 17; the Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21; the Marine Mammal Protection Act (16 U.S.C. 1361, et seq.), 50 CFR 18; the Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15; the Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16; Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), 50 CFR 23; General Provisions, 50 CFR 10; General Permit Procedures, 50 CFR 13; and Wildlife Provisions (Import/export/transport), 50 CFR 14.

Purpose: The collection of contact information is to process applications and to verify the individual has an eligible permit to conduct activities that affect protected species. This helps FWS monitor and report on protected species and assess the impact of permitted activities on the conservation and management of species and their habitats.

Routine Uses: The collected information may be used to verify an applicant's eligibility for a permit to conduct activities with protected wildlife; to provide the public and the permittees with permit related information; to monitor activities under a permit; to analyze data and produce reports to monitor the use of protected wildlife; to assess the impact of permitted activities on the conservation and management of protected species and their habitats; and to evaluate the effectiveness of the permit programs. More information about routine uses can be found in the System of Records Notice, Permits System, FWS-21 and Case Investigative Files, FWS-20.

Disclosure: The information requested in this form is voluntary. However, submission of the requested information is required to process applications for permits authorized under the listed authorities. Failure to provide the requested information may be sufficient cause for the U.S. Fish & Wildlife Service to deny the request.

PAPERWORK REDUCTION ACT STATEMENT

In accordance with the Paperwork Reduction Act (44 U.S.C. 3501, et seq.), the U.S. Fish and Wildlife Service collects information necessary to consider a permit application, under the applicable laws governing the requested activity, for which a permit is requested, and to respond to requests made under the Freedom of Information Act and the Privacy Act of 1974. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0092.

ESTIMATED BURDEN STATEMENT

We estimate public reporting for this collection of information averages:

Original submission - paper-based: 1.25 hours (reporting) Original submission - electronic: 1 hour (reporting)

These estimates include time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: PRB (JAO/3W), Falls Church, VA 22041-3803, or via email at Info_Coll@fws.gov. Please do not send your completed form to this address.

FREEDOM OF INFORMATION ACT

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.13(c)(4), 43 CFR 2.15(d)(1)(i)].
