BUREAU OF JUSTICE STATISTICS
CHAPTER 46 - SUBCHAPTER III
[TITLE I - PART C]

42 USC § 3731 [Sec. 301.] **Statement of purpose**

It is the purpose of this subchapter [part] to provide for and encourage the collection and analysis of statistical information concerning crime, juvenile delinquency, and the operation of the criminal justice system and related aspects of the civil justice system and to support the development of information and statistical systems at the Federal, State, and local levels to improve the efforts of these levels of government to measure and understand the levels of crime, juvenile delinquency, and the operation of the criminal justice system and related aspects of the civil justice system. The Bureau shall utilize to the maximum extent feasible State governmental organizations and facilities responsible for the collection and analysis of criminal justice data and statistics. In carrying out the provisions of this subchapter [part], the Bureau shall give primary emphasis to the problems of State and local justice systems.

42 USC § 3732 [Sec. 302.] **Bureau of Justice Statistics**

(a) Establishment. There is established within the Department of Justice, under the general authority of the Attorney General, a Bureau of Justice Statistics (hereinafter referred to in this subchapter [part] as “Bureau”).

(b) Appointment of Director; experience; authority; restrictions. The Bureau shall be headed by a Director appointed by the President, by and with the advice and consent of the Senate. The Director shall have had experience in statistical programs. The Director shall have final authority for all grants, cooperative agreements, and contracts awarded by the Bureau. The Director shall report to the Attorney General through the Assistant Attorney General. The Director shall not engage in any other employment than that of serving as Director; nor shall the Director hold any office in, or act in any capacity for, any organization, agency, or institution with which the Bureau makes any contract or other arrangement under this Act.

(c) Duties and functions of Bureau. The Bureau is authorized to—

(1) make grants to, or enter into cooperative agreements or contracts with public agencies, institutions of higher education, private organizations, or private individuals for purposes related to this subchapter [part]; grants shall be made subject to continuing compliance with standards for gathering justice statistics set forth in rules and regulations promulgated by the Director;

(2) collect and analyze information concerning criminal victimization, including crimes against the elderly, and civil disputes;

(3) collect and analyze data that will serve as a continuous and comparable national social indication of the prevalence, incidence, rates, extent, distribution, and attributes of crime, juvenile delinquency, civil disputes, and other statistical factors related to crime, civil disputes, and juvenile delinquency, in support of national, State, and local justice policy and decision making;

(4) collect and analyze statistical information, concerning the operations of the criminal justice system at the Federal, State, and local levels;

(5) collect and analyze statistical information concerning the prevalence, incidence, rates, extent, distribution, and attributes of crime, and juvenile delinquency, at the Federal, State, and local levels;

(6) analyze the correlates of crime, civil disputes and juvenile delinquency, by the use of statistical information, about criminal and civil justice systems at the Federal, State, and local levels, and about the extent, distribution and attributes of crime, and juvenile delinquency, in the Nation and at the Federal, State, and local levels;

(7) compile, collate, analyze, publish, and disseminate uniform national statistics concerning all aspects of criminal justice and related aspects of civil justice, crime, including crimes against the elderly, juvenile delinquency, criminal offenders, juvenile delinquents, and civil disputes in the various States;

(8) recommend national standards for justice statistics and for insuring the reliability and validity of justice statistics supplied pursuant to this chapter [title];

(9) maintain liaison with the judicial branches of the Federal and State Governments in matters relating to justice statistics, and cooperate with the judicial branch in assuring as much uniformity as feasible in statistical systems of the executive and judicial branches;

(10) provide information to the President, the Congress, the judiciary, State and local governments, and the general public on justice statistics;

(11) establish or assist in the establishment of a system to provide State and local governments with access to Federal informational resources useful in the planning, implementation, and evaluation of programs under this Act;

(12) conduct or support research relating to methods of gathering or analyzing justice statistics;

(13) provide for the development of justice information systems programs and assistance to the States and units of local government relating to collection, analysis, or dissemination of justice statistics;

(14) develop and maintain a data processing capability to support the collection, aggregation, analysis and dissemination of information on the incidence of crime and the operation of the criminal justice system;

(15) collect, analyze and disseminate comprehensive Federal justice transaction statistics (including statistics on issues of Federal justice interest such as public fraud and high technology crime) and to provide technical assistance to and work jointly with other Federal agencies to improve the availability and quality of Federal justice data;

(16) provide for the collection, compilation, analysis, publication and dissemination of information and statistics about the prevalence, incidence, rates, extent, distribution and attributes of drug offenses, drug related offenses and drug dependent offenders and further provide for the establishment of a national clearinghouse to maintain and update a comprehensive and timely data base on all criminal justice aspects of the drug crisis and to disseminate such information;

(17) provide for the collection, analysis, dissemination and publication of statistics on the condition and progress of drug control activities at the Federal, State and local levels with particular attention to programs and intervention efforts demonstrated to be of value in the overall national anti- drug strategy and to provide for the establishment of a national clearinghouse for the gathering of data generated by Federal, State, and local criminal justice agencies on their drug enforcement activities;

(18) provide for the development and enhancement of State and local criminal justice information systems, and the standardization of data reporting relating to the collection, analysis or dissemination of data and statistics about drug offenses, drug related offenses, or drug dependent offenders;

(19) provide for research and improvements in the accuracy, completeness, and inclusiveness of criminal history record information, information systems, arrest warrant, and stolen vehicle record information and information systems and support research concerning the accuracy, completeness, and inclusiveness of other criminal justice record information;

(20) maintain liaison with State and local governments and governments of other nations concerning justice statistics;

(21) cooperate in and participate with national and international organizations in the development of uniform justice statistics;

(22) ensure conformance with security and privacy requirement of section 3789g of this title and identify, analyze, and participate in the development and implementation of privacy, security and information policies which impact on Federal and State criminal justice operations and related statistical activities; and

(23) exercise the powers and functions set out in subchapter VIII [part H] of this chapter [title].

(d) Justice statistical collection, analysis, and dissemination. To insure that all justice statistical collection, analysis, and dissemination is carried out in a coordinated manner, the Director is authorized to—

(1) utilize, with their consent, the services, equipment, records, personnel, information, and facilities of other Federal, State, local, and private agencies and instrumentalities with or without reimbursement therefore, and to enter into agreements with such agencies and instrumentalities for purposes of data collection and analysis;

(2) confer and cooperate with State, municipal, and other local agencies;

(3) request such information, data, and reports from any Federal agency as may be required to carry out the purposes of this chapter [title];

(4) seek the cooperation of the judicial branch of the Federal Government in gathering data from criminal justice records; and

(5) encourage replication, coordination and sharing among justice agencies regarding information systems, information policy, and data.

(e) Furnishing of information, data, or reports by Federal agencies. Federal agencies requested to furnish information, data, or reports pursuant to subsection (d)(3) of this section shall provide such information to the Bureau as is required to carry out the purposes of this section.

(f) Consultation with representatives of State and local government and judiciary. In recommending standards for gathering justice statistics under this section, the Director shall consult with representatives of State and local government, including, where appropriate, representatives of the judiciary.

42 USC § 3733 **[Sec. 303.] Authority for 100 per centum grants**

A grant authorized under this subchapter [part] may be up to 100 per centum of the total cost of each project for which such grant is made. The Bureau shall require, whenever feasible as a condition of approval of a grant under this subchapter [part], that the recipient contribute money, facilities, or services to carry out the purposes for which the grant is sought.

42 USC § 3735 **[Sec. 304.] Use of data**

Data collected by the Bureau shall be used only for statistical or research purposes, and shall be gathered in a manner that precludes their use for law enforcement or any purpose relating to a particular individual other than statistical or research purposes.

Dear <<salutation>>,

Enclosed is a copy of the National Prisoner Statistics (NPS 1B) form for your 2019 yearend data. The Bureau of Justice Statistics (BJS) wants to thank you for your past participation in NPS. The 2019 collection is the 93rd year of continuous data collection for the NPS, which was authorized as a national data collection program by Congress in 1926. The NPS data are widely used by practitioners, policy makers, researchers, and the general public.

The Omnibus Crime Control and Safe Streets Act of 1968, as amended (42 USC 3732), authorizes collection of these data. The Office of Management and Budget approved this collection (OMB Control No: 1121-0102; Expiration Date: 06/30/2017). For more information, see https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=201403-1121-006.

Your participation is voluntary but we need your assistance to make the NPS data complete and accurate. BJS is committed to disseminating accurate and timely statistics, and we plan to publish the *Prisoners in 2019* bulletin in September, 2020 as a final count of prison admissions, releases, and yearend population. For that reason, we request that you complete and submit your form by **February 28, 2020**.

Abt Associates is again the BJS data collection agent for NPS-1B. The majority of NPS respondents are also respondents to the National Corrections Reporting Program (NCRP). Abt Associates serves as data collection agent for both the NPS and the NCRP.

We ask that you submit your NPS-1B data via the web, at **nps.abtassociates.com**. Login and password information are enclosed. If you need technical assistance in submitting your data, please contact Tom Rich via email at Tom_Rich@abtassoc.com, or by phone at (617) 349-2753.

If you have questions to the NPS collection, please contact the BJS NPS program manager, Ann Carson, at Elizabeth.Carson@usdoj.gov or (202) 616-3496. We thank you greatly for your continued participation in BJS's statistical programs.

Sincerely,

E. Ann Carson
Acting Chief, Corrections Statistics Unit

Dear Contact,

Thank you for participating in the National Prisoner Statistics Program (NPS). The Bureau of Justice Statistics (BJS) is getting ready release its annual *Prisoners in 2019* bulletin at the end of September 2020.

Attached are 8 draft tables using data on prisoners under your jurisdiction and in your custody on December 31, 2019. We are sending you this draft before the public release to give you an opportunity to verify the accuracy of your data. We have also attached a blank NPS form should you need to refer back to BJS definitions for various measures. Please review these tables and provide any revisions before **July 15, 2020**. If we do not hear from you by that time, we will assume that your state's statistics are correct and will proceed with publication.

The numbers contained in the tables are preliminary and may be revised. Please do not cite data for any other jurisdictions prior to publication of the report.

On behalf of the Bureau of Justice Statistics, I thank you for providing these data to us. If you have any questions about your data, please contact me at 202/616.3496 or elizabeth.carson@usdoj.gov.

Sincerely,

E. Ann Carson
