

decree with the United States District Court for the Northern District of Ohio in the lawsuit entitled *United States v. Republic Steel*, Civil Action No 5:22-cv-02163.

The United States filed this lawsuit under the Clean Air Act. The United States' complaint names Republic Steel as the defendant. The complaint seeks injunctive relief and civil penalties for violations of the regulations that govern the emission limits, performance testing, and parametric monitoring and recording as required under the defendant's 2004 Permit to Install for its steel manufacturing facility in Canton, Ohio. The consent decree requires the defendant to perform injunctive relief, including addition of air pollutant emission controls, and pay a \$990,000 million civil penalty.

The publication of this notice opens a period for public comment on the proposed consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Republic Steel*, D.J. Ref. No. 90-5-2-1-12589. All comments must be submitted by no later than January 13, 2023. Comments may be submitted either by email or by mail:

DEPARTMENT OF JUSTICE

Notice of Comment Period Extension on Proposed Settlement Agreement Under the Comprehensive Environmental Response, Compensation, and Liability Act Regarding Claims in Connection With the Findett/Hayford Bridge Road Groundwater Superfund Site

On September 28, 2022, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Eastern District of Missouri in the lawsuit entitled *United States and the State of Missouri v. Union Electric Company d/b/a Ameren Missouri*, Civil Action No.22-cv-1038. On October 4, 2022, notice of the proposed settlement agreement and the start of the comment period was published in the **Federal Register**. On November 2, 2022, notice was published by the United States for an extension of the comment period for this Proposed Consent Decree by thirty (30) days, to December 5, 2022. In response to further requests for an extension, the United States is extending the comment period for this Proposed Consent Decree by an additional ninety (90 days), to March 6, 2023.

The proposed Consent Decree would resolve claims the United States and State of Missouri have brought pursuant to Sections 106, 107(a), and 113(g) of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. 9606, 9607(a), and 9613(g), as amended by the Superfund Amendments and Reauthorization Act of 1986 ("CERCLA"), and Section 260.530 of the Missouri Hazardous Waste Management Law, Mo. Rev. Stat. 260.530, regarding the Findett/Hayford Bridge Road Groundwater Superfund Site Operable Unit 4 ("OU4").

Under the Settlement Agreement, Union Electric Company d/b/a Ameren ("Ameren") will perform response actions at the Site pursuant to the June 30, 2021 Record of Decision, and pay U.S. Environmental Protection Agency and Missouri Department of Natural Resources oversight costs. In exchange, the United States and the State will provide covenants not to sue or to take administrative action against Ameren pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. 9606 and 9607(a), and Mo. Rev. Stat. 260.510 and 260.530, with regard to the Work performed.

Any comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States and the State of Missouri v. Union Electric Company d/b/a Ameren*

Missouri, 22-cv-1038, D.J. Ref. No. 90-11-2-417/6. All comments must be submitted no later than March 6, 2023. Comments may be submitted either by email or by mail:

DEPARTMENT OF JUSTICE

[OMB Number 1125-0005]

Agency Information Collection Activities; Proposed Collection; Comments Requested; Request To Be Included on the List of Pro Bono Legal Service Providers for Individuals in Immigration Proceedings (Form EOIR-56)

AGENCY: Executive Office for Immigration Review (EOIR), Department of Justice.

ACTION: 60-Day notice.

SUMMARY: The Executive Office for Immigration Review, Department of Justice (DOJ), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

DATES: Comments are encouraged and will be accepted for 60 days until January 9, 2023.

FOR FURTHER INFORMATION CONTACT: If you have additional comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Lauren Alder Reid, Assistant Director, Office of Policy, Executive Office for Immigration Review, 5107 Leesburg Pike, Suite 2500, Falls Church, VA 22041, telephone: (703) 305-0289.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and/or
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

1. *Type of Information Collection:* Renewal of a currently approved collection.

2. *The Title of the Form/Collection:* Request to be Included on the List of Pro Bono Legal Service Providers for Individuals in Immigration Proceedings.

3. *The agency form number and component sponsoring the collection:* EOIR-56 (OMB #1125-0015).

SUPPLEMENTARY INFORMATION:

Background: The federal government has supported digital literacy and digital equity across a variety of sectors and through a range of programs. Attaining and maintaining digital literacy is critical to surviving and thriving in modern society. Digital resilience signifies having the awareness, skills, agility, and confidence to empower users of new technologies and adapt to changing digital skill demands. Digital resilience improves capacity to problem-solve and upskill in employment, navigate digital transformations, and be active participants in society and the economy.¹ Under the Bipartisan Infrastructure Law of 2021 (BIL, Pub. L. 117-58), digital equity is defined as the "condition in which individuals and communities have the information technology capacity that is needed for full participation in the society and economy of the United States." Under BIL, digital inclusion refers to having reliable and affordable access to technology, broadband infrastructure,
