1 Introduction

The e-Recognition system is a tool to assist the National Advisory Committee on Institutional Quality and Integrity (NACIQI) in their review of accrediting agencies and State approval agencies as part of the Department's recognition process. An accrediting agency, or other entity may submit a petition for initial recognition, a petition for renewal of recognition, or a compliance report. When seeking the Secretary's recognition, an accrediting agency, state postsecondary vocational education entity, or state nursing educational entity is required to respond to the required Criteria for Recognition using the e-Recognition system.

By using the e-Recognition system, the NACIQI may access agency submissions including agency narratives and responses to the draft staff analysis, the final staff analysis and report, historical documents and third-party comments. Committee members are limited to read-only access within the system.

2 Accessing the System

To access the system, enter the URL <https://surveys.ope.ed.gov/erecognition> in the address box of the browser. The e-Recognition landing screen will display. Click the Accept and Login button after reading the Privacy Act Notice and Security Warning message. Enter your User ID and Password and click the Log in button to log in to the system. All login attempts are logged. If you have three unsuccessful login attempts, your account will be locked. You will then need to contact the Help Desk to have your account unlocked. A link to the Contact the Help Desk is located on the Login page.

2.1 Forgot Password

If you forget your password, you can click the 'Forgot Password?' link and enter your email. The system will confirm your identity and email your password to you. After three failed login attempts, you will be locked out of the system and will need to contact the Help Desk to have your account unlocked.

Forgot Password

Please enter your username and email and click the "Send Password" button. Your password will be emailed to you shortly.

If you are unable to provide this information at this time please contact the Help Desk here for further assistance.

2.2 Change Password

The Department's Accreditation Group Records Manager provides committee members with a user account. Passwords expire every 90 days. All first-time users are required to change their password. After you login to the e-Recognition system for the first time or if your password has expired, the *Change Password* screen will display.

Enter your Current Password, New Password, and Verify New Password in the appropriate text boxes, then click the **Submit** button. The *Select Agency* screen will display
