

Community Development Block Grant – Disaster Recovery (CDBG-DR)

**Financial Management and Grant Compliance Certification
Requirements for Local Government Grantees
2021 Disasters**

Instructions to grantees:

The term “grantee” refers units of general local government or “local government grantees” that received a direct allocation from HUD of Community Development Block Grant Disaster Recovery (CDBG-DR) funds.

If required an appropriations act, grant agreements will not be executed until the Secretary has issued a certification for the grantee. This Appropriations Act requires the Secretary to certify that the grantee has:

- Proficient financial controls in place;
- Proficient procurement processes in place;
- Adequate procedures to prevent any duplication of benefits as defined by section 312 (42 U.S.C. 5155) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.) (Stafford Act);
- Adequate procedures to ensure timely expenditure of funds;
- Adequate procedures to maintain comprehensive websites regarding all disaster recovery activities assisted with the CDBG-DR funds; and
- Adequate procedures to detect and prevent fraud, waste, and abuse of funds.

CDBG-DR Certification Checklist:

HUD is adopting a revised process for implementing CDBG-DR grants whereby HUD will incorporate applicable provisions of the Consolidated Notice, to the extent they are consistent with future appropriations acts, in a Federal Register notice that announces allocations of the appropriated CDBG-DR funds (the “Allocation Announcement Notice”). The Allocation Announcement Notice cross references specific provisions of the Consolidated Notice and includes waivers and alternative requirements applicable for the subject grants. The Allocation Announcement Notice also adds or modifies requirements of the Consolidated Notice as necessary to comply with statutory requirements.

The Consolidated Notice describes the grant award process for CDBG-DR grantees, including the certification of financial controls and procurement processes and adequate procedures for proper grant management in Section III.A.1 of the notice. All CDBG-DR grantees must complete the Financial Management and Grant Compliance Certification Requirements and submit the Financial Management and Grant Compliance Certification Checklist (the “Certification Checklist”) to enable certification by the Secretary. This document is the Certification Checklist and incorporates all the Financial Management and Grant Compliance Certification Requirements.

If a CDBG-DR grantee is awarded a subsequent CDBG-DR grant, HUD will rely on the grantee’s prior submissions provided in response to the Financial Management and Grant Compliance Certification Requirements in the applicable Federal Register notice. HUD will continue to monitor the grantee’s submission and updates made to the policies and procedures during the normal course of business.

Note: The grantee must notify HUD of any substantial changes made to these submissions.

If a CDBG-DR grantee is awarded a subsequent CDBG-DR grant, and it has been more than three years since the executed grant agreement for the original CDBG-DR grant or a subsequent grant is equal to or greater than ten times the amount of the original CDBG-DR grant, grantees must update and resubmit the required documents with the completed Certification Checklist to enable the Secretary to certify that the grantee has in

place proficient financial controls and procurement processes, and adequate procedures for proper grant management.

If the grantee believes it complies with the requirement, the grantee should check the affirmation (e.g., the grantee “affirms” statement) under each question. The grantee must attach the required documentation, including the appropriate cross references in each Part of the Certification Checklist to demonstrate how the grantee will comply with the requirements. Most statements include citations in brackets, which have been provided for convenience to identify sources that served as the basis for the certification. The statements in this document reflect existing requirements and should not be read to impose additional requirements. Upon completion, a grantee must submit this checklist and the requested documentation to the grantee’s designated HUD representative.

Note: Grant Managers/CPD Representatives and Financial Analysts can assist the grantee in completing the Certification Checklist. grantees may contact their assigned Grant Manager/CPD Representative for questions on this checklist.
