## **EXHIBIT III: APPLICANT BUDGET TEMPLATE** (Microsoft Excel File)

Applicants are required to provide a detailed one year program budget in Exhibit III that itemizes on a quarterly basis the legal services and administrative costs associated with the proposed program. Applicants must also provide as Exhibit IV to this application a detailed description of each line item contained in this budget and the underlying assumptions associated with each line item amount. The program budget must be completed in the Microsoft Excel template provided. Instructions on the use of this template are as follows:

#### General

- a. Applicant is responsible for filling in yellow cells only.
- b. All non-yellow cells are locked and populate automatically.

#### Provision and Coordination of Legal Services (Total must be a minimum of 90% of the total LSV Grant Amount)

- a. *Personnel/Labor* (Note: The spreadsheet will spread these costs evenly across all 12 months. If the applicant does not anticipate an even spread of costs, this should be explained in the narrative.):
  - *Title and Organization* input the titles of all LSV-funded personnel (e.g., Program Director, Case Manager, Employment Specialist, etc.) and the organization at which they are or will be employed (i.e., list applicant organization or subcontractor organization name as applicable).
  - # of Full-Time Employees (FTE) input the number of FTE who will hold the specified title at the specified organization
  - % FTE input the percentage of time the staff member will devote to the LSV-funded program (e.g., full-time staff would be shown at 100%)
  - Base Annual Salary / Wage input the annual salary of the specified personnel, assuming full-time employment
  - Fringe Benefits cost of fringe benefits as a percentage of annual salary (if any)
- b. Other Non-Personnel Provision and Coordination of Legal Services Expenses: List any other expenses related to the provision and coordination of supportive services expenses in this section and the quarterly costs associated with those expenses. (Note: Some mandated training expenses have already been added to the budget.
- c. Lease & Maintenance of Vehicle(s): Per 38 CFR 32.33, if public transportation options are not sufficient within an area or community, costs related to the lease of vehicle(s) may be included in the application. Specify the number of vehicles to be leased and the cost per quarter associated with these vehicles.

#### Administrative Expenses (Total cannot exceed 10% of total LSV Grant Amount)

List all administrative expenses and the quarterly costs associated with each expense. Per 38 CFR 62.70, administrative expenses are defined as all direct and indirect costs associated with the management of the program. These costs will include the administrative costs, both direct and indirect, of subcontractors. A line item of "administrative costs" is not sufficiently descriptive. Administrative costs must be broken down into multiple line items by category.
