

## A. JUSTIFICATION:

### 1. Explain the circumstances that make the collection of information necessary. Identify legal or administrative requirements that necessitate the collection of information.

The Department of Veterans Affairs (VA) through its Veterans Benefits Administration (VBA) administers an integrated program of benefits and services, established by law, for Veterans, service personnel, and their dependents and/or beneficiaries. Title 38 of the United States Code (U.S.C.) 5101(a) provides that a specific claim in the form provided by the Secretary must be filed for benefits to be paid to any individual under the laws administered by the Secretary. Additionally, 38 U.S.C. 501(a) provides VA the authority to collect this information. VA Form 28-1905c, *Certification of Training Hours, Wages, and Progress for Chapter 31 Claimants* is necessary to maintain adequate records for on-the job and other specialized training programs to include the claimant's monthly progress and attendance under 38 U.S.C. 3677.

VA Form 28-1905c has been updated, to include:

- Added standard OCR boxes to Section I.
- Added Section II to include Name, contact information, and facility code for Training Facility.
- Added who is to complete Section IV. Renumbered Section IV. Removed language "Except Apprentice and OJT" from Section IV.
- Added who is to complete Section V. Renumbered Section V. Edited Section V to include the list of objectives listed in VA training agreement, edited the language in Section V to reflect each month report and total number of hours completed for each month as well as total hours completed in the program.
- Renumbered the rest of the form to remain constant.
- Added Section VI to include name and contact information of the VR&E Case Manager.
- Added Section VII to include name and contact information for Certifying Official and Trainer
- Added a Certification statement
- Updated the Penalty statement
- Edited signature line to reflect signature of Trainer or Certifying Official.
- The responded burden changed from 15 minutes to 20 minutes.

### 2. Indicate how, by whom, and for what purposes the information is to be used; indicate actual use the agency has made of the information received from current collection.

VA Form 28-1905c is used to gather the necessary information to determine the claimant's monthly progression and attendance as outlined in the claimant's vocational rehabilitation plan. This information is essential to track the type and hours of training

as well as the rating of the claimant's performance toward the completion of his or her training program under 38 U.S.C. Chapter 31 and 38 U.S.C. Chapter 35. Without the information gathered on this form, benefits could be delayed under 38 U.S.C. 501(a).

- 3. Describe whether, and to what extent, the collection of information involves the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses, and the basis for the decision for adopting this means of collection. Also describe any consideration of using information technology to reduce burden.**

VA Form 28-1905c is available on the One-VA Website in a fillable electronic format. VBA is currently hosting this form on a secure server and does not currently have the technology in place to allow for the complete submission of the form. Validation edits are performed to assure data integrity. There currently is no utility process in place that will allow the data submitted on the form to be incorporated with an existing centralized legacy database.

- 4. Describe efforts to identify duplication. Show specifically why any similar information already available cannot be used or modified for use for the purposes described in Item 2 above.**

Program reviews were conducted to identify potential areas of duplication; however, none were found to exist. There is no known Department or Agency which maintains the necessary information, nor is it available from other sources within our Department.

- 5. If the collection of information impacts small businesses or other small entities, describe any methods used to minimize burden.**

The collection of information does not involve small businesses or entities.

- 6. Describe the consequences to Federal program or policy activities if the collection is not conducted or is conducted less frequently as well as any technical or legal obstacles to reducing burden.**

VA Form 28-1905c is used to gather the necessary information to determine the claimant's monthly progression and attendance as outlined in the claimant's vocational rehabilitation plan. This information is essential to track the type and hours of training as well as the rating of the claimant's performance toward the completion of his or her training program under 38 U.S.C. Chapter 31 and 38 U.S.C. Chapter 35. Without the information gathered on this form, benefits could be delayed under 38 U.S.C. 501(a).

- 7. Explain any special circumstances that would cause an information collection to be conducted more often than quarterly or require respondents to prepare written responses to a collection of information in fewer than 30 days after receipt of it; submit more than an original and two copies of any document; retain records, other than health, medical, government contract, grant-in-aid, or tax records for more than three years; in connection with a statistical survey that is not designed to produce valid and**

**reliable results that can be generalized to the universe of study and require the use of a statistical data classification that has not been reviewed and approved by OMB.**

There is no special circumstance requiring collection in a manner inconsistent with 5 CFR 1320.6 guidelines.

- 8. If applicable, provide a copy and identify the date and page number of publication in the Federal Register of the sponsor’s notice, required by 5 CFR 1320.8(d), soliciting comments on the information collection prior to submission to OMB. Summarize public comments received in response to that notice and describe actions taken by the sponsor in responses to these comments. Specifically address comments received on cost and hour burden.**

The Department notice was published in the Federal Register on (Insert Date) (Volume\_\_\_\_, No. \_\_\_\_)(page/pages) (Insert Page Number(s)). (No or number) comments were received in response to this notice.

- 9. Explain any decision to provide any payment or gift to respondents, other than remuneration of contractors or grantees.**

No payments or gifts to respondents have been made under this collection of information.

- 10. Describe any assurance of privacy to the extent permitted by law provided to respondents and the basis for the assurance in statute, regulation, or agency policy.**

The records are maintained in the appropriate Privacy Act System of Records identified as “Compensation, Pension, Education, and Vocational Rehabilitation and Employment Records-VA (58VA21/22/28),” published at 74 FR 29275 on June 19, 2009, and last amended at 84 FR 4138 (February 14, 2019).

- 11. Provide additional justification for any questions of a sensitive nature (Information that, with a reasonable degree of medical certainty, is likely to have a serious adverse effect on an individual's mental or physical health if revealed to him or her), such as sexual behavior and attitudes, religious beliefs, and other matters that are commonly considered private; include specific uses to be made of the information, the explanation to be given to persons from whom the information is requested, and any steps to be taken to obtain their consent.**

There are no questions of a sensitive nature.

- 12. Estimate of the hour burden of the collection of information:**

- a. Number of Respondents is estimated at 1,140 per year.
- b. Frequency of Response is estimated at on occasion for most participants.

- c. Annual burden hours are 380 hours.
- d. The estimated completion time for each form is 20 minutes.
- e. The respondent population for VA Form 28-1905c is composed of claimants enrolled in the Chapter 31 program and Chapter 35 program. VA cannot make further assumptions about the population of respondents because of the variability of factors such as the educational background and wage potential of respondents. Therefore, VBA used general wage data to estimate the respondents' costs associated with completing the information collection.

The Bureau of Labor Statistics (BLS) gathers information on full-time wage and salary workers. According to the latest available BLS data, the mean hourly wage is \$28.01 based on the BLS wage code – “00-0000 All Occupations.” This information was taken from the following website: [https://www.bls.gov/oes/current/oes\\_nat.htm](https://www.bls.gov/oes/current/oes_nat.htm).

Legally, respondents may not pay a person or business for assistance in completing the information collection. Therefore, there are no expected overhead costs for completing the information collection. VBA estimates the total cost to all respondents to be \$10,643.80 (380 burden hours x \$28.01 per hour).

**13. Provide an estimate of the total annual cost burden to respondents or recordkeepers resulting from the collection of information. (Do not include the cost of any hour burden shown in Items 12 and 14).**

This submission does not involve any recordkeeping costs.

**14. Provide estimates of annual cost to the Federal Government. Also, provide a description of the method used to estimate cost, which should include quantification of hours, operation expenses (such as equipment, overhead, printing, and support staff), and any other expense that would not have been incurred without this collection of information. Agencies also may aggregate cost estimates from Items 12, 13, and 14 in a single table.**

Estimated Costs to the Federal Government:

Grade	Step	Burden Time	Fraction of Hour	Hourly Rate	Cost Per Response	Total Responses	Total
7	3	20	0.33	\$19.74	6.583	1,140	\$ 7,501.20
Overhead at 100% Salary							\$ 7,501.20
9	3	20	0.33	\$24.15	8.050	1,140	\$ 9,177.00
Overhead at 100% Salary							\$ 9,177.00
11	3	20	0.33	\$29.22	9.740	1,140	\$ 11,103.60

Overhead at 100% Salary							\$ 11,103.60
12	3	20	0.33	\$35.03	11.68	1,140	\$ 13,178.40
Overhead at 100% Salary							\$ 13,178.40
Processing / Analyzing Costs							\$ 81,920.40
Printing and Production Cost							\$ 910.23
Total Cost to Government							\$ 82,830.63

Overhead costs are 100% of salary and are the same as the wage listed above and the amounts are included in the total.

Printing and production costs approximates the cost of printing this information collection per year. (Processing/Analyzing Cost total divided by \$90).

Note: The hourly wage information above is based on the hourly 2022 General Schedule (Base) Pay (<https://www.federalpay.org/gs/2022> ). This rate does not include any locality adjustment as applicable.

The processing time estimates above are based on the actual amount of time employees of each grade level spend to process to completion a claim received on this form. The within-grade step (3) of each employee represents the average experience of employees within each grade.

**15. Explain the reason for any burden hour changes since the last submission.**

The respondent burden has decreased, as there has been a reduction in claimants wanting to participate in on-the-job and specialized training since the last submission. A majority of our claimants are participating in professional training to complete a degree program.

VA Form 28-1905c has been updated, to include:

We are not seeking approval to omit the expiration date for OMB approval.

**18. Explain each exception to the certification statement identified in Item 19, “Certification for Paperwork Reduction Act Submissions,” of OMB 83-I.**  
This submission does not contain any exceptions to the certification statement.

**B. Collection of Information Employing Statistical Methods**

No statistical methods are used in this data collection.
