	Veterinary Me	dicine Loan Repayment Program (VN	ILRP)		
(VI		erinarian Shortage Situations to the Veterinar rinary Medical Service Act (NVMSA). This forn h Official.			
sec	•	nomination form for each shortage situation. ifa.usda.gov/resource/vmlrp-shortage-alloca			
1.	. Location of Veterinary Shortage Area for this Nomination				
a.	Must Service Location(s):				
		(e.g., County, State/Insular Area; must be a logistically fea	sible veterinary practice service area)		
b.	May Service Location(s):	(e.g., County, State/Insular Area; must be a logistically feasible veterinary practice service area)			
c.	Approximate Center of Shortage				
	Area (or Location of Position if Type III):	(e.g., Address or Cross Street, Town/C	ity, and Zip Code)		
2.	Overall Priority of Shortage:				
3.	Type of Veterinary Practice Area/I	Discipline/Specialty (select one):			
a.	For Type Lor II Private Practice sele	ct species and/or production types to co	ver·		
<u>.</u>	Must cover (must check at least one)	May cover	••••		
		•			
	☐ Beef Cattle☐ Dairy Cattle☐	☐ Beef Cattle☐ Dairy Cattle☐			
	☐ Swine	Swine			
	☐ Poultry	☐ Poultry			
	Small Ruminant	☐ Small Ruminant			
	Other:	Other:			

b.	For Type III Public Practice: Employer:	
	Position Title:	
	Please select one or more specialty/disciplinary areas:	
	□ Food Safety □ Public Health □ Epidemiology □ Other:	
b.	(Optional) If the nominator wishes to specify a service time for this shortage situation that is higher than the minimum required for the shortage type checked above, please specify the percent time in the box below (based on a 40-hour work week). Leave the box blank if the service time for this shortage situation is for the minimum percent time of the shortage type indicated.	

4. Referring to the characteristics identified in response to question 3 above and the location to be served, describe in detail the need for a veterinarian in this shortage situation area. Include state, national, or local data to support the description of the need, such as numbers of animals, farms/ranches, markets, etc. (Limit your response to 2000 characters).

5. Referring to the characteristics identified in response to question 3 above, describe the services that a veterinarian must be willing to provide to meet this shortage situation's needs in the community, area, state/insular area, or position requested above (limit your response to 2000 characters).

6.	To help you promote your shortage nomination, what aspects of the community (outdoor activities, community strengths, etc.) would attract a veterinarian to the service area or state? What would be the major attractions for the veterinarian to join the community? (limit your response to 2000 characters.)
7.	Describe any past efforts to recruit and retain a veterinarian in the shortage situation identified above (limit your response to 1000 characters).
8.	Describe the consequences of this veterinary position not being secured or retained. Include the risk(s) to the production of a safe and wholesome food supply and to animal, human, and environmental health not only in the community but in the region, state/insular area, nation, and/or international community. Describe why this shortage is a critical, high, or moderate priority. (limit your response to 2500 characters.)

9.	SAHO nomir	nator must check both boxes below in order for NIFA to consider this nomination for official designation			
	 a. By checking this box, I affirm that this form represents a nomination and is subject to NIFA review and approval. b. By checking this box, I affirm that it is my professional opinion that this is a bona fide food supply or public health-related veterinary shortage situation. I affirm due diligence has been invested to identify this area as a shortage situation of at least moderate priority (severity).
