The funds to implement this policy would come from **ONLY residents of coastal New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9
Strongly opposed					Strongly supportive			

*Vignette 2*

The proposed policy would...

**Decrease** the amount of wetlands covered by vegetation

**Increase** the amount of beach covered by sand dunes

**Maintain** the amount of shoreline shielded by seawalls and coastal armoring

**Increase** the number of homes protected from flooding during a storm

**Maintain** the rate of shoreline erosion

The funds to implement this policy would come from **ONLY residents of coastal New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9
Strongly opposed					Strongly supportive			

*Vignette 3*

The proposed policy would...

**Maintain** the amount of wetlands covered by vegetation

**Increase** the amount of beach covered by sand dunes

**Decrease** the amount of shoreline shielded by seawalls and coastal armoring

**Maintain** the number of homes protected from flooding during a storm

**Increase** the rate of shoreline erosion

The funds to implement this policy would come from **ONLY residents of coastal New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9
Strongly opposed								Strongly supportive

*Vignette 4*

The proposed policy would...

**Maintain** the amount of wetlands covered by vegetation

**Maintain** the amount of beach covered by sand dunes

**Increase** the amount of shoreline shielded by seawalls and coastal armoring

**Increase** the number of homes protected from flooding during a storm

**Decrease** the rate of shoreline erosion

The funds to implement this policy would come from **ONLY residents of coastal New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9
Strongly opposed								Strongly supportive

*Vignette 5*

The proposed policy would...

**Increase** the amount of wetlands covered by vegetation

**Decrease** the amount of beach covered by sand dunes

**Increase** the amount of shoreline shielded by seawalls and coastal armoring

**Maintain** the number of homes protected from flooding during a storm

**Maintain** the rate of shoreline erosion

The funds to implement this policy would come from **ONLY residents of coastal New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9
Strongly opposed							Strongly supportive	

*Vignette 6*

The proposed policy would...

**Decrease** the amount of wetlands covered by vegetation

**Decrease** the amount of beach covered by sand dunes

**Decrease** the amount of shoreline shielded by seawalls and coastal armoring

**Decrease** the number of homes protected from flooding during a storm

**Decrease** the rate of shoreline erosion

The funds to implement this policy would come from **ONLY residents of coastal New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9
Strongly opposed							Strongly supportive	

Version 2

*Vignette 1*

The proposed policy would...

**Decrease** the amount of wetlands covered by vegetation

**Decrease** the amount of beach covered by sand dunes

**Maintain** the amount of shoreline shielded by seawalls and coastal armoring

**Maintain** the number of homes protected from flooding during a storm

**Increase** the rate of shoreline erosion

The funds to implement this policy would come from **ANYONE who resides in or visits coastal New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9
Strongly opposed							Strongly supportive	

*Vignette 2*

The proposed policy would...

**Decrease** the amount of wetlands covered by vegetation

**Maintain** the amount of beach covered by sand dunes

**Increase** the amount of shoreline shielded by seawalls and coastal armoring

**Decrease** the number of homes protected from flooding during a storm

**Maintain** the rate of shoreline erosion

The funds to implement this policy would come from **ANYONE who resides in or visits coastal New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9
Strongly opposed							Strongly supportive	

*Vignette 3*

The proposed policy would...

**Increase** the amount of wetlands covered by vegetation

**Increase** the amount of beach covered by sand dunes

**Increase** the amount of shoreline shielded by seawalls and coastal armoring

**Increase** the number of homes protected from flooding during a storm

**Increase** the rate of shoreline erosion

The funds to implement this policy would come from **ANYONE who resides in or visits coastal New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9
Strongly opposed							Strongly supportive	

*Vignette 4*

The proposed policy would...

**Maintain** the amount of wetlands covered by vegetation

**Decrease** the amount of beach covered by sand dunes

**Decrease** the amount of shoreline shielded by seawalls and coastal armoring

**Increase** the number of homes protected from flooding during a storm

**Maintain** the rate of shoreline erosion

The funds to implement this policy would come from **ANYONE who resides in or visits coastal New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9
Strongly opposed							Strongly supportive	

*Vignette 5*

The proposed policy would...

**Maintain** the amount of wetlands covered by vegetation

**Increase** the amount of beach covered by sand dunes

**Maintain** the amount of shoreline shielded by seawalls and coastal armoring

**Decrease** the number of homes protected from flooding during a storm

**Decrease** the rate of shoreline erosion

The funds to implement this policy would come from **ANYONE who resides in or visits coastal New**

**Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9	
Strongly opposed									Strongly supportive

*Vignette 6*

The proposed policy would...

**Increase** the amount of wetlands covered by vegetation

**Maintain** the amount of beach covered by sand dunes

**Decrease** the amount of shoreline shielded by seawalls and coastal armoring

**Maintain** the number of homes protected from flooding during a storm

**Decrease** the rate of shoreline erosion

The funds to implement this policy would come from **ANYONE who resides in or visits coastal New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9	
Strongly opposed									Strongly supportive

Version 3

*Vignette 1*

The proposed policy would...

**Maintain** the amount of wetlands covered by vegetation

**Decrease** the amount of beach covered by sand dunes

**Increase** the amount of shoreline shielded by seawalls and coastal armoring

**Decrease** the number of homes protected from flooding during a storm

**Increase** the rate of shoreline erosion

The funds to implement this policy would come from **ALL residents of New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9	
Strongly opposed									Strongly supportive

*Vignette 2*

The proposed policy would...

**Maintain** the amount of wetlands covered by vegetation

**Maintain** the amount of beach covered by sand dunes

**Maintain** the amount of shoreline shielded by seawalls and coastal armoring

**Maintain** the number of homes protected from flooding during a storm

**Maintain** the rate of shoreline erosion

The funds to implement this policy would come from **ALL residents of New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9	
Strongly opposed									Strongly supportive

*Vignette 3*

The proposed policy would...

**Increase** the amount of wetlands covered by vegetation

**Decrease** the amount of beach covered by sand dunes

**Maintain** the amount of shoreline shielded by seawalls and coastal armoring

**Increase** the number of homes protected from flooding during a storm

**Decrease** the rate of shoreline erosion

The funds to implement this policy would come from **ALL residents of New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9
Strongly opposed							Strongly supportive	

*Vignette 4*

The proposed policy would...

**Decrease** the amount of wetlands covered by vegetation

**Increase** the amount of beach covered by sand dunes

**Increase** the amount of shoreline shielded by seawalls and coastal armoring

**Maintain** the number of homes protected from flooding during a storm

**Decrease** the rate of shoreline erosion

The funds to implement this policy would come from **ALL residents of New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9
Strongly opposed							Strongly supportive	

*Vignette 5*

The proposed policy would...

**Increase** the amount of wetlands covered by vegetation

**Increase** the amount of beach covered by sand dunes

**Decrease** the amount of shoreline shielded by seawalls and coastal armoring

**Decrease** the number of homes protected from flooding during a storm

**Maintain** the rate of shoreline erosion

The funds to implement this policy would come from **ALL residents of New Hampshire**

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9	
Strongly opposed									Strongly supportive

Vignette 6

The proposed policy would...	
<b>Decrease</b>	the amount of wetlands covered by vegetation
<b>Maintain</b>	the amount of beach covered by sand dunes
<b>Decrease</b>	the amount of shoreline shielded by seawalls and coastal armoring
<b>Increase</b>	the number of homes protected from flooding during a storm
<b>Increase</b>	the rate of shoreline erosion
The funds to implement this policy would come from <b>ALL residents of New Hampshire</b>	

How supportive would you be of this proposed policy?

1	2	3	4	5	6	7	8	9	
Strongly opposed									Strongly supportive
