Report a Sawfish

If you catch or see a sawfish, take a quick photograph of the sawfish, estimate its size, note your location, and please share the details with scientists. The details of your sightings or catches of sawfish help experts monitor the population and track the recovery progress. You can share your information by calling [1-844-4-SAWFISH \(844-472-9347\)](tel:1-844-4-SAWFISH) or completing the form below.
