**RECRINT** [IF MICSR=1] You have been selected for a follow-up study to the National Survey on Drug Use and Health. This study, sponsored by the U.S. Department of Health and Human Services, will ask questions about mental health, and consists of one interview.

For this research study, we are selecting a mix of people including those who have mental health issues and those who don't. If you decide to participate in the follow-up interview,

your first name, telephone number, and email address will be collected so we can contact you about your interview. To schedule an interview appointment, you can either select a date and time through the study's online scheduling system or when speaking to the interviewer who contacts you.

The interview should take about 60 minutes to complete. Your participation is voluntary, you can refuse to answer any questions you do not want to answer, and you can stop the interview at any time. The interview will be conducted using Zoom. You can be in your home, office, or another private location when you complete the interview. You will be asked for permission to record the interview to ensure the interviewer administered the interview properly. You can still be interviewed even if you do not allow the interview to be recorded. Your interview recording may be used for quality or training purposes. **If you agree to complete the interview, you will receive \$30.**

Please click NEXT to continue.

**RECRUIT1** [IF MICSR=1] Federal law requires us to keep all of your answers private and confidential. Any data you provide will only be accessed by authorized personnel for statistical purposes according to the Confidential Information Protection and Statistical Efficiency Act of 2002. The only exceptions to this promise of confidentiality are if you tell the interviewer that you intend to seriously harm yourself or someone else, or if a child has been or will be seriously harmed. In this situation, the interviewer may need to notify a mental health professional or other authorities.

If you have questions about the study, call the Project Representative at 1-800-848-4079. If you have questions about your rights as a study participant, call RTI's Office of Research Protection at 1-866-214-2043 (a toll-free number).

Do you agree to participate in this study?

- 1 I agree to participate in the follow-up
- 2 I do not agree to participate in the follow-up
