Dear <first name>,

Hello again from the HPOG Study Team. It's time to update your contact information!

In <RA MONTH/YEAR>, you applied to receive services through your local Health Profession Opportunity Grants program (HPOG), called <HPOG name>. At that time, you also agreed to participate in a research study.

Researchers at Abt Associates are conducting the HPOG Study for the Administration for Children and Families (ACF). The HPOG Study will help ACF learn more about how training and support services help people improve their skills or find better jobs. When you agreed to be in the study, you also agreed to let researchers contact you every few months. The purpose of these contacts is to make sure we have your correct phone number, email, and street address in our database.

To make sure that your information in our records is correct, please verify your contact information on the next page. You can do this in one of these three ways.

- 1) **Make any changes online by visiting [INSERT WEBLINK].**

If you do not have email or internet access, please indicate that on the form and we will help you redeem the gift certificate. . Your participation in this study is completely voluntary.
