SUPPLEMENTARY INFORMATION: Two systems are being provided for rescindment from the HUD Housing, Finance and Budget, Office of Financial Services system of records inventory. SORNs were identified for rescindment for one of four reasons: the records (1) are not Privacy Act records; (2) are maintained as part of a new or modified system of records; (3) are duplicative, and covered by another HUD system of records; or (4) are obsolete and no longer maintained by the HUD. A description of each rescindment justification, the applicable SORNs, and an account of what happened to the records is as follows:

1. Not a Privacy Act System of Records

Mere maintenance of personal information about an individual is not enough to create a Privacy Act system of records. To satisfy the elements of a system of records, there must be (1) a group of records; (2) under the control of a government agency; and (3) those records must be retrieved by a name or other personal identifier. When one condition is no longer met, the collection ceases to qualify as a system of records. Accordingly, the following SORN was identified for rescindment as is no longer meet the definition of a Privacy Act system of records:

Title I Insurance and Claims System. SORN filed pursuant to regulations implementing the Title I loan program, 24 CFR 201.1 through 200.63. HUD’s statutory authority for implementing the regulations supporting HUD programs is found at 42 U.S.C 3532(a) and (b) and at 12 U.S.C. 1701(a) and (c). During 2006, this SORN published and during June 2019 the Office upgraded their business practice to no longer retrieve records by a personal unique identifier, such as name. Records maintained and used by system are no longer retrieved by unique personal identifier.

2. Maintained as Part of a New or Modified Systems of Records

Property Improvement and Manufactured [Mobile] Home Loan-

Default SORN filed pursuant to Title I, Sec. 2, National Housing Act, 12 U.S.C. 1703; Federal Claims Collection Act of 1966 (Sec. 1, Pub. L 89–506). Records maintained and used by the Office of Housing Albany Financial Operations Center were consolidated and migrated into modified Debt Collection Asset Management (DCAMS) SORN, HUD/HS–55, August 2005. Records maintained and used by system of records are retrieved by Name and Social Security Number.
