Application For Naturalization

N-400

The Application for Naturalization is used to become a U.S. citizen through naturalization, which is the process you take to voluntarily become a U.S. citizen if you were born outside of the United States.

In general, you may be eligible if you can show continuous U.S. residence for three or five years, are at least 18 years old, and demonstrate good moral character and loyalty to the U.S. Constitution. You must also take the English and civics test, unless you qualify for an English language exemption or a medical disability exception.

Before You Start Your Application

Eligibility

You will need to select your basis for eligibility after you start your application.

Fee

We will automatically calculate the cost for you before you submit your application. See Form G-1055, available at www.uscis.gov/g-1055, for specific information about the fees applicable to this form.

There is no filing fee if you are a member or veteran of any branch of the U.S. Armed Forces filing on your own behalf.

Refund Policy

USCIS does not refund fees, regardless of any action we take on your application, petition, or request, **or how long USCIS takes to reach a decision.** By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service.

Please refer to the instructions for the form(s) you are filing for additional information or you may call the USCIS Contact Center at 800-375-5283. For TTY (deaf or hard of hearing) 800-767-1833.

Filing online

Submitting your application online is the same as mailing in a completed paper form. They both gather the same information and cost the same.

Documents you may need

We will automatically determine which documents you need to provide us as you fill out your application.

The other documents you need will depend on the information you provide in the application, such as your personal history, family, and circumstances.

After You Submit Your Application

Track your case status online

After you submit your form, you can track its status through your USCIS account. Sign in to your account often to check your case status and read any important messages from USCIS.

Respond to requests for information

If we need more information from you, we will send you a Request for Evidence (RFE)

You should provide as many responses as you can. Incomplete fields or sections and missing information can slow down the process after you submit your form.

We will automatically save your responses

We will automatically save your information when you select next to go to a new page or navigate to another section of the form. We will save your information for 30 days from today, or from the last time you worked on the form.

How to continue filling out your form

Are you requesting an accommodation because of your disabilities and/or impairments?

We will make every effort to make reasonable accommodations for applicants with disabilities who need modifications to naturalization process in order to demonstrate their eligibility.

- If you use a wheelchair, we will make sure you can be fingerprinted, interviewed, and sworn in at a location that is wheelchair accessible. All domestic USCIS facilities meet the Accessibility Guidelines of the Americans with Disabilities Act.
- If you are unable to travel to a designated USCIS location for an interview, USCIS may visit you at your home or a hospital to conduct the interview.
- If you use a service animal such as a guide dog, your animal may come with you to your interview or any other immigration benefit-related appointment.
- If you are blind or have low vision, USCIS may permit you to take a test orally rather than in writing.
- If you are hearing impaired, the officer conducting your interview will speak loudly and slowly, or we will work with you to arrange for a sign language interpreter. If you require a sign language interpreter at your interview, or any other immigration benefit-related appointment, please indicate that here.
