

PROJECT APPLICATION FOR COVID-19

Paperwork Burden Disclosure Notice

Public reporting burden for this data collection is estimated to average 22 minutes per response. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and submitting this form. This collection of information is required to obtain or retain benefits. You are not required to respond to this collection of information unless a valid OMB control number is displayed in the upper right corner of this form. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing the burden to: Information Collections Management, Department of Homeland Security, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, Paperwork Reduction Project (1660-0017) NOTE: Do not send your completed form to this address.

Privacy Act Statement

The collection of this information is authorized by the Robert T. Stafford Disaster Relief and Emergency Assistance Act, §§ 402-403, 406-407, 417, 423, 427, 428, 502, and 705; 42 U.S.C. 5170a-b, 5172-73, 5184, 5189a, 5189e, 5189f, 5192, 5205; 44 C.F.R. § 206 Subpart G; and 2 C.F.R. § 200. This information is collected to provide assistance to eligible jurisdictions and organizations to facilitate the response to and recovery from a Presidentially-declared disaster or emergency, or to provide assistance for hazard mitigation measures during the recovery process. The disclosure of information on this form is voluntary; however, failure to provide the requested information may delay or prevent the agency from receiving funds from FEMA's Public Assistance program.

Purpose and Applicability

FEMA may provide funding to eligible Applicants for costs related to emergency protective measures conducted as a result of the COVID-19 pandemic. Emergency protective measures are activities conducted to address immediate threats to life, public health, and safety. Please contact the State, local, Tribal, or Territorial emergency management office for additional information.

Recipients and Applicants should use PA Grants Portal to submit all documentation and information to FEMA. Questions are displayed in an intuitive manner to show the information and documentation needed based on answers provided. All signatures are official and legally binding.

In general, this form collects work information related to a group of impacts, including:

- When, where, and by whom the activities were [will be] completed
- Estimated or actual cost information
- Effects on environmental, floodplain, and historic resources

Section I - Project Application Information

Instructions: The Applicant must assign a unique title and number for each project application. This title and number may help the Applicant connect this project application to their accounting or other systems. Any documents attached to this project application should include the project application number and title.

Section III - Cost and Work Status Information

Instructions: Applicants must complete this section and provide the costs of the COVID-19 Declaration activities reported in Section II. Applicants must also complete Schedule A, B, C, or EZ as instructed below to estimate a project cost.

1. GENERAL COST & WORK STATUS QUESTIONS

Does the Applicant have insurance that might cover any activities reported in Section II?

Yes, the Applicant anticipates receiving a payment from its insurance carrier

Yes, the Applicant has already received a payment from its insurance carrier

Uncertain if the Applicant will be receiving proceeds from insurance carrier

No, insurance funding is unavailable or was denied

If either "yes" is checked above, provide the insurance policy and include insurance proceeds must be included as a deduction in the cost schedules. See FEMA's [Coronavirus \(COVID-19\) Pandemic: Medical Care Eligible for Public Assistance \(Interim\) \(Version 2\)](#) and [Public Assistance Policy on Insurance](#).

What is the total project cost after all reductions including insurance deductions?

Approximate Cost \$:

Has the Applicant started any of the work activities claimed on this project application?

An Applicant may not request funding for activities conducted prior to January 20, 2020, the beginning of the COVID-19 incident period. This question should be answered once to describe all the activities claimed on this project (i.e. the earliest start date and the latest end date). If FEMA's eligibility criteria for certain activities are limited to specific time periods, FEMA will ask for the time period that a particular activity was or will be conducted.

Yes. Date Started: MM/DD/YYYY

Has the Applicant completed all of the work claimed on this project application?

Yes Date Completed: MM/DD/YYYY

No Projected End Date: MM/DD/YYYY or Unsure

No

Projected Start Date: MM/DD/YYYY

Projected Completion Date: MM/DD/YYYY or Unsure

Request Expedited Funding

An Applicant may request approval for expedited funding from the Recipient and FEMA if they have an immediate need for funding to continue life-saving emergency protective measures. If approved, the Applicant will be awarded 50% of the FEMA-confirmed project cost based on initial documentation. However, the Applicant will then be required to provide all information, including all documentation to support actual incurred costs, to support the initial 50% of funding before receiving any additional funding. Applicants will be required to return any funds that were not spent in compliance with the program's terms and conditions. In general, Applicants who have never received FEMA Public Assistance funding and do not have significant experience with federal grant requirements should avoid expedited funding or, at a minimum, discuss expedited funding with their Recipient emergency management office prior to requesting expedited funding. Expedited funding is only available for activities completed during specific time periods.

Does the Applicant want to request expedited funding?

No

Yes

2. CERTIFICATION

It is important to know that upon submittal your project application becomes a legal document. The Recipient or FEMA may use external sources to verify the accuracy of the

information you enter. It is a violation of Federal law to intentionally make false statements or hide information when applying for Public Assistance. This can carry severe criminal and civil penalties including a fine of up to \$250,000, imprisonment, or both. (18 U.S.C. §§ 287, 1001, 1040, and 3571).

I have read the statements above and understand that I will be required to certify these statements upon completion of my project application.

Based upon your answers in Sections II and III, you will be prompted to complete a cost schedule and one or more work surveys upon creation of this Streamlined Project Application.

Section IV - Project Acknowledgements and Certifications

1. PREPARER CERTIFICATION

Instructions: If Applicant used external support to develop this Application, this section must be completed.

Did a consultant prepare this project application on behalf of the Applicant?

No

Yes. Please provide the following information and obtain the preparer's signature.

Preparer's Company or Firm Name

Preparer's Company or Firm Address

By signing below, I certify all information provided in this project application is true and correct based on all information of which I have any knowledge. I understand that causing the Applicant to make false certification or statements or conceal any information in an attempt to obtain disaster aid is a violation of Federal laws, which carry severe criminal and civil penalties, including a fine of up to \$250,000, imprisonment, or both (18 U.S.C. Part 287, 1001, 1040 and 3571).

2. APPLICANT ACKNOWLEDGEMENTS

Instructions: Applicants must complete this section to acknowledge their acceptance of Environmental and Historic Preservation compliance and documentation requirements.

Environmental and historic preservation compliance acknowledgement

In accordance with the Public Assistance Program and Policy Guide, the Applicant acknowledges that they are required to comply with applicable Federal, state, and local laws; must provide all documentation requested to allow FEMA to ensure project applications comply

with Federal Environmental and Historic Preservation (EHP) laws, implementing regulations, and executive orders (EOs); and must comply with any EHP compliance conditions placed on the grant.

Documentation requirement acknowledgement

In accordance with 2 C.F.R. §200.333 as well as state and local record retention requirements, the Applicant acknowledges the requirement to maintain all documentation that supports this project application in its own files. This documentation will be required if the Applicant submits an appeal for additional funding, as well as in the case of any audits.

3. APPLICANT CERTIFICATIONS

Instructions: Applicants must complete this section to certify that the activities and costs reported in this project application comply with applicable Federal, state, tribal, territorial, and local laws and regulations.

I certify the following:

General Certifications

As required by Title 44 Code of Federal Regulations (C.F.R.) §§ 206.223 and 206.225 and in accordance with the Public Assistance Program and Policy Guide (PAPPG), the Emergency Protective Measures described in this project were or are:

- The Applicant’s legal responsibility;
- Undertaken in response to the COVID-19 Declaration; and
- Undertaken because they were necessary to eliminate threats to life, public health, and safety.

Any activity claimed must have been performed or is being performed at the direction of or pursuant to guidance of state, local, tribal, or territorial public health officials (such as an executive order or other official order signed by a public health official).

Work and costs are claimed in accordance with the following PA policy and guidance documents:

- [FACT SHEET - Coronavirus \(COVID-19\) Pandemic: Eligible Emergency Protective Measures](#) - applies to COVID related work and costs from January 20, 2020 to September 15, 2020
- [Coronavirus \(COVID-19\) Pandemic Work Eligible for Public Assistance Policy \(Interim\)](#) - applies to COVID related work and costs from September 15, 2020 until superseded or rescinded
- [Coronavirus \(COVID-19\) Pandemic: Safe Opening and Operation Work Eligible for Public Assistance \(Interim\)](#)
- [Coronavirus \(COVID-19\) Pandemic: Medical Care Eligible for Public Assistance \(Interim\) \(Version 2\)](#)
- [Coronavirus \(COVID-19\) Pandemic: Purchase and Distribution of Food Eligible for Public](#)

Assistance

- For COVID-19 NCS the following three documents comprise the disaster specific guidance for COVID-19 Incidents (no interim policy was promulgated):
 - o [Fact Sheet: Public Assistance: Non-Congregate Sheltering Delegation of Authority](#);
 - o [Frequently Asked Questions: Coronavirus \(COVID-19\) Pandemic: Non-Congregate Sheltering](#); and
 - o [Memorandum for Regional Administrators, Update to Non-Congregate Sheltering Delegation of Authority Public Assistance Program and Policy Guide Waiver, December 16, 2020.](#)
- For issues not specifically addressed in the above policy and guidance applicants should reference the PAPPG, version 3.1

If any activity was or will be occurring on private property: For each property, the Applicant (A) had or has a legal basis and authority to conduct the activities; and (B) completed or will complete the following actions for each property for which supporting documentation will be maintained: (i) obtained a right-of-entry, (ii) signed an agreement with the property owner to indemnify and hold harmless the Federal Government, and (iii) made efforts to identify any known insurance proceeds for the same activities.

Cost Certifications

As required by 44 C.F.R. § 206.228 and 2 C.F.R. Part 200 and in accordance with the PAPPG, the costs for which the Applicant is claiming reimbursement were or are:

- Of a type generally recognized as ordinary and necessary for the type of facility or activities;
- Reduced by applicable credits, such as insurance proceeds and salvage values; and
- Reasonable as demonstrated by the method selected in Schedule A, B, C or EZ of this project application.

As required by the Stafford Act § 312, 42 U.S. Code § 5155, and 2 C.F.R. §200.406 and in accordance with the PAPPG, the Applicant has either:

- Informed FEMA of all insurance proceeds; or
- Did not have insurance coverage in place for the claimed costs at the time of the declaration.

If claiming contract costs: The Applicant complied with federal, Recipient, and Applicant procurement requirements.

If claiming equipment costs: The Applicant complied with all FEMA policies regarding equipment rates in accordance with the PAPPG.

If claiming labor costs: The Applicant complied with all FEMA policies regarding labor in accordance with the PAPPG.

Certification That Benefits Will Not Be Duplicated

Has the Applicant applied for any funding for COVID-19 from any other federal program?

An Applicant may request funding from other programs but may not receive funding for the same costs from multiple programs.

No

Yes. *Please list other programs:*

If yes, has the Applicant applied for any funding from any other federal program for the activities reported in Section II?

No

Yes, but the other federal program has not yet approved the funding. *The Applicant must inform FEMA if funding is approved and either (a) withdraw the FEMA project application for any non-obligated subaward or (b) request to close the subaward and return withdrawn funding for any obligated subaward.*

Yes, but the other federal program has conclusively denied the funding. *Please attach denial.*

I certify that the specific activities and costs in this project application were not requested from another funding source or, if they were requested, that other source has not yet approved the funding. Further, I certify that if the Applicant does receive funding for the specific activities and costs in this project application, I must notify the Recipient and FEMA, and funding will be reconciled to eliminate duplication.

No. Was there a suspected or confirmed COVID-19 case in the facility?

No

Yes

For which emergency protective measures was the interior facility disinfection necessary? Select all that apply.

- Medical care
- Purchase and distribution of food
- Non-congregate medical sheltering
- Operation of Emergency Operations Centers
- Communications to disseminate public information regarding health and safety measures and provide warnings and guidance
- Mass casualty management, including storage of human remains and mass mortuary services
- Acquisition and installation of temporary physical barriers (i.e. plexiglass barriers, screens/dividers, social distance signage).
- Safe Opening and Operating of an Eligible Facility
- Other. *Describe the other emergency protective measures performed:*

Explain how facility disinfection was necessary to support the activities selected:

3. ACQUISITION AND INSTALLATION OF TEMPORARY PHYSICAL BARRIERS

When did or will the activities start and end?

Activities started _____ (MM/DD/YY) and completed _____ (MM/DD/YY).

Describe the activities conducted:

For which emergency protective measures was acquisition/installation necessary? Select all that apply.

- Medical care
- Purchase and distribution of food
- Non-congregate medical sheltering
- Operation of Emergency Operations Centers

- Communications to disseminate public information regarding health and safety measures and provide warnings and guidance
- Mass casualty management, including storage of human remains and mass mortuary services
- Safe Opening and Operating of an Eligible Facility
- Other. *Describe the other emergency protective measures performed:*

Explain how acquisition/installation was necessary to support the selected activities:

4. MOVEMENT (TRANSPORTATION AND/OR STORAGE) OF EQUIPMENT AND SUPPLIES

When did or will the activities start and end?

Activities started _____ (MM/DD/YY) and completed _____ (MM/DD/YY).

Please describe the resources the Applicant moved or will move:

Please describe the activities that were or will be conducted using the moved resources:

For which emergency protective measures was movement necessary? Select all that apply.

- Medical care
- Purchase and distribution of food
- Non-congregate medical sheltering
- Operation of Emergency Operations Centers
- Communications to disseminate public information regarding health and safety measures and provide warnings and guidance
- Mass casualty management, including storage of human remains and mass mortuary services
- Other. *Describe the other emergency protective measures requiring pre-positioning or movement:*

Explain how movement was necessary to support the selected activities:

5. PURCHASE AND DISTRIBUTION OF FOOD

When did or will purchase and distribution of food start and end?

Activities started _____ (MM/DD/YY) and completed _____ (MM/DD/YY).

Please select and describe the work necessary to purchase and distribute food:

- Purchasing and packaging. *Please describe the work necessary for purchasing and packaging:*
- Acquiring distribution and storage space. *Please describe the work necessary for acquiring distribution and storage space:*
- Delivery and distribution. *Please describe the work necessary for delivery and distribution:*
- Other. *Please describe the other necessary work:*

Did or will the Applicant distribute food to for-profit entities?

- No
- Yes. *Please describe how the Applicant will seek reimbursement for the fair market value of the food:*

Did or will the Applicant enter into a formal agreement or contract for the provision of food through a private organization?

- No
- Yes. *Please ensure contract costs are captured and associated questions answered in Schedule B or C as applicable.*

If the purchase and distribution involved food, how is food security negatively impacted, making food distribution necessary to protect public health and safety? Please select all that apply.

- Reduced mobility of those in need due to government-imposed restrictions, including “stay-at-home” orders, which prevent certain populations from accessing food
- Marked increase or atypical demand for feeding resources
- Disruptions to the typical food supply chain within the a given jurisdiction
- Other. *Please describe the other impacts:*

6. SECURITY AND LAW ENFORCEMENT

When did or will the activities start and end?

Activities started _____ (MM/DD/YY) and completed _____ (MM/DD/YY).

Describe the activities conducted:

For which emergency protective measures was security or law enforcement necessary? Select all that apply.

- Medical care and vaccinations
- Purchase and distribution of food
- Non-congregate medical sheltering
- Operation of Emergency Operations Centers
- Communications to disseminate public information regarding health and safety measures and provide warnings and guidance
- Mass casualty management, including storage of human remains and mass mortuary services
- Safe Opening and Operating of an eligible facility
- Other. *Describe the other emergency protective measures that required security and/or law enforcement activities:*

Explain why security or law enforcement was necessary to support the selected activities

7. PURCHASE OF PPE, MEDICAL EQUIPMENT AND SUPPLIES

Please provide approximate quantities and total costs for each type of equipment or supply being claimed on this project:

For which emergency protective measures was the PPE necessary? Select all that apply.

- Distribution to healthcare workers, patients with confirmed or suspected COVID-19 infection, and first responders
- Medical care
- Mass casualty management, including storage of human remains and mass mortuary services

- Safe Opening and Operating of an eligible facility
- Other. *Describe other emergency protective measures that required PPE or other medical supplies:*

Explain how the PPE or other medical supplies are or were necessary to perform the selected activities:

8. PURCHASE OF EQUIPMENT OR SUPPLIES

Did or will the Applicant purchase equipment or supplies with a total cost of greater than \$5,000?

- No.
- Yes. If yes, is the aggregate value or will the aggregate value of unused supplies be greater than \$5,000 after use for federal projects concludes?
- Unsure. *Please skip the remaining questions in this part. Please ensure you keep accurate records of unused supplies as the Recipient or FEMA may request this information during an audit or when closing the Applicant's subaward(s).*

(Tribal, local, and non-profit entities only) Does the Applicant anticipate any piece of equipment they purchased will have fair market value of greater than \$5,000 after its use for federal projects concludes?

- No
- Yes. *Please ensure the Applicant included disposition proceeds as applicable.*

(State- and Territory Applicants only) Did the Applicant dispose of equipment in accordance with state or territorial laws and procedures?

- No
- Yes. *Please ensure the Applicant included disposition proceeds in as applicable.*

Did or will the Applicant distribute supplies or equipment to for-profit entities?

- No
- Yes. *Please describe how the Applicant will seek reimbursement for the fair market value of the supplies or equipment.*

9. NON-CONGREGATE SHELTERING

When did or will the non-congregate sheltering activities start and end?

Activities started _____ (MM/DD/YY) and completed _____ (MM/DD/YY).

Please describe how the non-congregate sheltering was or is directly related to the COVID-19 Declaration:

Please describe how non-congregate sheltering was or is being conducted in accordance with standards and order or directive mandated by public health officials including social distancing measures:

What manner was non-congregate sheltering conducted?

- Hotel and motel accommodations
- Other. Please describe how non-congregate sheltering was accomplished:

Did the Applicant receive prior approval for non-congregate sheltering from FEMA?

- Yes. *Please attach your request, all supporting documentation, and a copy of the FEMA approval.*
- No. *This activity requires the FEMA approval. Please submit a request through the Recipient directly to the FEMA Regional Administrator. For more information on these requirements, see [Coronavirus \(COVID-19\) Pandemic: Non-Congregate Sheltering - FAQ](#).*

Are the non-congregate sheltering activities completed?

- No
- Yes. The Applicant needs to provide sufficient documentation to establish eligibility, including the following information:
- Specific need for each individual sheltered
 - Length of stay for each individual sheltered
 - Age of each individual sheltered
 - If applicable, number of meals provided for each individual sheltered. Please also answer questions related to the purchase and distribution of food
 - If applicable, number of individuals with access or functional needs sheltered
 - Description of support services provided to sheltered individuals

11. PURCHASE OF LAND OR BUILDINGS

Did or will the Applicant acquire or improve any real property?

FEMA defines real property as "land, including land improvements, structures, and appurtenances thereto." Real property acquired with FEMA funds is subject to specific disposition and reporting requirements.

- No
- Yes. *The Applicant must obtain specific disposition instructions from FEMA. The Applicant should work through their Recipient to obtain specific instructions when the acquired or improved property is no longer needed for the original authorized purpose.*

12. PURCHASE OF FACE MASKS

When did or will the activities start and end?

Activities started _____ (MM/DD/YY) and completed _____ (MM/DD/YY).

Which emergency protective measures are or were the face masks necessary to perform? Select all that apply.

- Medical care
- Purchase and distribution of food
- Non-congregate medical sheltering
- Operation of emergency operations centers
- Communications to disseminate public information regarding health and safety measures and provide warnings and guidance
- Mass casualty management, including storage of human remains and mass mortuary services
- Safe opening and operating of an eligible facility
- Other. Please describe where, to whom, and why it was necessary:

13. TEMPERATURE SCANNING

When did or will the activities start and end?

Activities started _____ (MM/DD/YY) and completed _____ (MM/DD/YY)

In what types of facilities were the activities conducted?

Which emergency protective measures were being conducted in the facility? Select all that apply:

- Medical care

- Purchase and distribution of food
- Non-congregate medical sheltering

- Safe opening and operating of an eligible facility
- Other. Please describe and explain why it was necessary:

14. EMERGENCY MEDICAL CARE

FEMA will provide assistance for medical care provided under COVID-19 declarations to improve the abilities of communities to effectively respond to the COVID-19 Public Health Emergency. [Coronavirus \(COVID-19\) Pandemic: Medical Care Eligible for Public Assistance \(Interim\) \(Version 2\)](#) defines the framework, policy details, and requirements for determining the eligibility of medical care under the Public Assistance program to ensure consistent and appropriate implementation across all COVID-19 emergency and major disaster declarations. Except where specifically stated otherwise in this policy, assistance is subject to PA Program requirements as defined in Version 3.1 of the Public Assistance Program and Policy Guide.

When did or will the medical care activities start and end?

Activities started _____ (MM/DD/YY) and completed _____ (MM/DD/YY).

Please select the facility types where the medical care activities were or will be conducted. Select all that apply.

- Primary Medical Care Facility
- Temporary and Expanded Medical Care

What clinical care was provided?

- Emergency medical transport related to COVID-19
- Triage and medically necessary tests and diagnosis related to COVID-19
- Medical treatment of COVID-19 patients
- Medical treatment of non-COVID-19 patients
- Prescription costs related to COVID-19 treatments

Was or is all clinical care being claimed on this project directly related to emergency and inpatient clinical care for COVID-19 patients?

- Yes

No. **Please describe how the work or activities are eligible for funding:**

Please describe how the Applicant has and will continue to pursue payment from private insurance, Medicaid, Medicare, or any other source of funding.

At no time will FEMA request or accept any Personally Identifiable Information related to the medical care of individual COVID-19 patients.

Environmental and Historic Preservation Survey

Instructions: Applicants must complete this schedule if any of the following COVID-19 Declaration activities are reported in Section II:

- Staging resources at an undeveloped site-Complete part 1.
- Storage of human remains or mass mortuary services-Complete part 2.
- Medical waste disposal-Complete part 3.
- Interior Facility Disinfection -Complete part 4.
- Installation of temporary barriers or wall-mounted equipment-Complete part 5.
- Establishment of temporary facilities-Complete part 6.
- Renovation and construction information-Complete part 7.

For additional information on EHP requirements, see the [Environmental and Historic Preservation \(EHP\) and Emergency Protective Measures for COVID-19 Fact Sheet](#) and the [Floodplain Considerations for Temporary Critical Facilities Fact Sheet](#).

1. STAGING RESOURCES AT AN UNDEVELOPED SITE

Please describe the staging activities:

Provide Latitude and Longitude coordinates for each site.

2. STORAGE OF HUMAN REMAINS OR MASS MORTUARY SERVICES

Please describe activities related to the storage or treatment of human remains or mass mortuary services:

Please select the locations where the activities reported above were or will be conducted:

- Jurisdiction-wide
- Geographic area(s) *Please provide a list of counties, towns or other geographic area(s).*
- Specific sites
 - Address:
 - Latitude and longitude:
 - Map

Did Applicant have to handle burial for any unidentified/unclaimed human remains

No

Yes. *Please provide detailed explanation of any work or costs being claimed:*

3. MEDICAL WASTE DISPOSAL

What is the intended method of disposal?

- Using an existing licensed disposal site
- Creating a new landfill disposal site
- Creating a new incinerator disposal site

Provide Latitude and Longitude coordinates for each site (decimal degrees with six decimal places).

4. INTERIOR FACILITY DISINFECTION

What type of activities occurred or will occur?

- Use of high-powered fogging, misting, or spraying equipment
- Use of EPA-registered disinfectants products
- Other. *Please describe the other activity that has occurred or will occur*

Provide the GPS coordinates for each site.

Where did or will the disinfection activity occur?

- Interior (Disinfection of countertops, floors, walls, etc.). **Please provide location within the facility that the disinfection activities took place or will take place:**
- Exterior (Disinfection of interior components conducted outside the facility). Based on the Center for Disease Control Guidance - Reopening Guidance for Cleaning and Disinfecting Public Spaces, Workplaces, Businesses, Schools, and Homes, disinfection of exterior components (i.e. located outside of a building) is ineligible.

Please provide location outside the facility that the disinfection activities took place or will take place

Did exterior activities result in wastewater runoff?

- Yes. *Please provide runoff disposal method/location:*
- No
- Unsure. *Please describe why you are unsure:*

Was or were disinfectant, sanitizing, or decontamination products disposed of according to Manufacturer Guidance and Environmental Regulations?

- Yes
- No. *Please describe how products were disposed:*
- Unsure. *Please describe how products were disposed:*

Has there been any coordination with any regulatory agencies?

- Yes. Please select the relevant *agencies*:
 - Environmental Protection Agency (EPA)
 - State, Local or Tribal Agency
 - Other. Please list Agency: _____

Please attach documentation of coordination with Regulatory Agencies.

- No

5. ACQUISITION AND INSTALLATION OF TEMPORARY BARRIERS

The Applicant should complete this section for each building where barriers were installed in response to the COVID-19 Declaration.

Name of building where barriers were or will be installed: _____

What type of barriers were or will be installed?

- Physical barriers (e.g. Plexiglass, acrylic dividers, etc.)
- Medical screens
- Medical dividers
- Modification of interior/exterior doors, windows or walls.

Signage to support social distancing (i.e. floor decals)

Other. *Describe the other modifications that were or will be installed:*

How did or will the Applicant install the temporary barriers? Please select all that apply.

Metal components (affixed with bolts, screws, etc.)

Adhesives (Command strips, tape, epoxy, etc.)

Freestanding (no installation)

Other. *Describe the other method of installation for the temporary barriers*

Where did the Applicant conduct the activities? Please check all that apply.

Interior. *Please describe the surface (drywall, brick, wood, tile, etc.):*

Exterior. *Please describe the surface (wood, concrete, brick, metal, etc.):*

Unsure. *Please explain why you are unsure:*

Are these installations/modifications permanent?

Yes

No

What was the year of construction of the building where barriers were or will be installed?

Date: Approximate Exact

Please provide the physical address for each building:

- Address
- Latitude and longitude
- Map

Have there been any previous renovations to the building where barriers will be or were installed?

Yes. *Please provide details and dates of past renovations*

No

Is the building listed on a locally designated or National Register of Historic Places or within a historic district?

Yes. *Please provide the name of the building and reference number if available.*

No

Unsure

Please provide photos of all angles of the area where installation of barriers will or were installed.

6. ESTABLISHMENT OF TEMPORARY OR EXPANDED FACILITIES

The Applicant should complete this section for each temporary facility established in response to the COVID-19 Declaration.

What is the name of this temporary or expanded facility?

What dates were or will the temporary or expanded facility used?

Start date: (MM/DD/YY) End date (MM/DD/YY)

What services did or will the temporary or expanded facility provide?

Emergency medical care

Non-Congregate Sheltering

Other (i.e. Alternate Care Sites or Community Based Testing Sites). *Describe the other services provided:*

Please describe the temporary or expanded facility:

Provide the Latitude and Longitude coordinates for each site (decimal degrees with six decimal places).

Why was or is the temporary or expanded facility needed?

Existing facilities were or are forecasted to become overloaded and cannot accommodate the need.

Quarantine of COVID-19 affected individuals.

Additional space needed to accommodate COVID-19 related response activities.

Other. *Describe the other need for the temporary facility:*

Is or will the temporary or expanded facility be accessible to and usable

by individuals with a disability, as required by the Americans with Disabilities Act?

For additional information on the Americans with Disabilities Act, see PAPPG at pp. 95-96.

- Yes, the existing facility is in compliance with the Americans with Disabilities Act (ADA) and no alterations were or will be required to make the facility ADA-compliant.
- Yes, the Applicant has made or will make all required alterations to ensure that the facility is in compliance with the Americans with Disabilities Act.
- No. *Please describe why compliance is not applicable to this facility:*

Please indicate how the Applicant did or will establish the temporary or expanded facility and attach a cost analysis justifying the selection. Please select all that apply.

- Rent a facility. *Please provide a lease agreement.*
- Purchase a facility. *Please provide documentation to support the purchase price.*
- Construct a new facility
- Modify/expand an existing facility

If purchasing or constructing a new facility, has the Applicant completed its use of the temporary facility?

- No
- Yes. *If the Applicant purchased or constructed a temporary facility, it must return to FEMA the federal share of the equity in the facility. The Applicant must report the equity to FEMA when the approved deadline has expired or when the facility is no longer needed for the authorized purpose, whichever occurs first. For more information on this requirement, see PAPPG at pp. 79-80. Please ensure disposition proceeds are captured and associated questions answered in Schedule B or C as applicable.*

What method(s) of work did or will the Applicant use to establish the temporary facility:

- Repurposing or reusing an existing facility. No construction, demolition, or ground disturbing activities.

What year was the facility built? _____ **Approximate** **Exact**

Is the temporary use the same as the most recent use of the facility?

- Yes. *Please skip the remaining questions in this survey.*
- No. *Describe the temporary use and the most recent use of the facility:*
- Renovating an existing facility. Includes interior/exterior construction, demolition or ground disturbing activities

What year was the facility built? _____ **Approximate** **Exact**

- Placing prefabricated facilities on a site.
- Constructing new facilities

If the Applicant selected renovating an existing facility, placing prefabricated facilities on a site, or constructing new facilities, complete Section 7. Renovation and construction information.

7. RENOVATION AND CONSTRUCTION INFORMATION

Complete this section for each applicable temporary facility established in response to the COVID-19 Declaration. See Section 6. Establishment of temporary facilities for more information.

Describe the work in detail, to include any ground disturbing activities and

approximate dimensions and depth of ground disturbing or attach plans or other documentation describing the work. Ground disturbing activities may include site clearing and preparation, laying utilities, or expanding of existing utilities.

Will the activity occur entirely within an already-developed area?

Yes

No. **If no, will the activity require the construction of a concrete or asphalt pad?**

No

Yes. **If yes, will the pad be removed when the temporary facility is no longer needed?**

No

Yes. *Please describe planned demolition activities:*

Will any ground disturbing activities occur as part of construction?

No

Yes. Will the ground disturbance occur outside of an existing footprint or previously disturbed Right-of-Way?

No

Yes

Will rooted vegetation be removed or cleared?

No

Yes. Where will the rooted vegetation be removed or cleared from? Provide the Latitude and Longitude coordinates for each location (decimal degrees with six decimal places).

Will trees be removed?

No

Yes. Where will the trees be removed from?

Number of trees:

Diameter of trees (approximate): Units: Meter Foot Inch

Will the activities include the use of staging areas for equipment or materials?

No

Yes. Where are the staging areas? Provide the Latitude and Longitude coordinates for each location.

Will the activities include expansion of parking facilities?

No.

Yes. Where are the expanded parking facilities? *Provide the Latitude and Longitude coordinates for each location.*

Describe the work to expand the parking facilities *If there is any ground disturbance, please include approximate dimensions and depth of ground disturbing in the "Describe the work in detail" box above.*

Describe the surface type each area has (paved, gravel, grass field, etc.):

Will the activities involve the disposal of any existing materials as part of site preparation or construction?

No

Yes. What are the types of debris? *Please select all that apply.*

Vegetative

Construction and demolition

Hazardous Materials

Large Appliances

Electronics

Other. *Please describe:*

How will debris be removed?

Using a contractor. *Please provide the name of the vendor:*

Using other non-contracted resources

Will there be any temporary staging of debris?

No

Yes

Where will the debris be staged: Provide the Latitude and Longitude coordinates for each location (decimal degrees with six decimal places).

Where is the final disposal location of the debris: Provide the Latitude and Longitude coordinates for each location (decimal degrees with six decimal places).

Is this location an existing facility?

No

Yes. *If this is a new facility, it will constitute a new ground disturbance:*

Is this location a permitted site or otherwise in compliance with your Recipient's debris disposal protocols?

No

Yes

If vegetative was selected above, will any vegetative debris be burned?

No

Yes. What is the method of ash disposal? *Please provide permits, if available.*

- Disposing in a Landfill
- Spreading
- Burying
- Other. *Please describe:*

Will fill or borrow material be used for site preparation?

No

Yes. What is the quantity of fill? Select units: Cubic yards Tons Other:

What is the type of fill and borrow material?

- Soil
- Sand
- Gravel
- Rock
- Other. *Describe the other material:*

What is the source of the fill and borrow material?

- Commercial. Please provide name of vendor:
- Private
- Municipal
- Other location. Describe the other source:

Where are the fill and borrow sources? Provide the Latitude and Longitude coordinates for each location:

Are there any large, undeveloped or undisturbed areas on, or near, the site? *Select yes if there are large tracts of forestland, farmland, grassland, or naturally preserved areas, etc.*

- No
- Yes. *Describe the undeveloped or undisturbed areas:*

Are any of the following environmental issues associated with the site or facility?
Select all that apply.

- Conservation Area or Wildlife Refuge
- Non-Attainment Area (Clean Air Act)
- Underground storage tanks
- Old gas stations or other potential toxic substance generators like dry cleaning, laboratories, landfills, dumps, industrial sites
- Brownfield or Superfund sites
- Fuel or oil spills
- Other. Describe the environmental issue:
- None apply
- Unsure if any apply

Are there any of the following known hazardous materials at or adjacent to the site?
If any are selected, please attach applicable permits, if available.

- Solvents (thinners, cleaners, varnishes, and adhesives)
- Oil/Fuel/Hydraulics
- Chemical, pesticide or fuel storage tanks (above or below ground)
- Lead based paints, solder, flashing
- Pesticides
- Mercury containing waste (mercury switches, fluorescent bulbs, thermostats, etc.)
- PCB containing materials (transformers, caulking, etc.)
- Hazardous Medical Waste
- Asbestos containing products (sealants, insulation, tile, etc.)
- No
- Unsure

Will any of the activities described in Section II be performed on any of the following? Select all that apply.

- A facility listed in or eligible for listing in a local, state, or national register. *Describe the facility and local, state, or national register listing:*
- A site in or adjacent to a historic district. *Describe the site and historic district:*
- A locally recognized landmark. *Describe the landmark:*
- A National Historic Landmark. *Describe the landmark:*
- No
- Unsure

Please provide the following documentation, if available, to aid FEMA's review of temporary facility activities. Check each box if the referenced documentation is provided.

- Permits and correspondence with regulatory agencies, if applicable.
- Site map showing the location of all proposed areas where the Applicant will conduct site work or construction and the extent of ground disturbance (including staging areas, access roads, parking, landscaping, grading or utilities)
- Photographs of the site

Expedited Funding (Schedule A)

Instructions: The Applicant must complete this section if requesting expedited funding in Section III of the project application. Expedited funding is only available if the total net cost for the request is greater than or equal to *[insert threshold applicable for the declaration]*.

1. GENERAL ELIGIBILITY

Please explain why there is an immediate need for funding:

Please select the time-period for which the Applicant is requesting expedited funding for the activities being claimed on this project.

Start Date: _____ (MM/DD/YY) Designated Time-Period:

- 30 days
- 60 days
- 90 days
- Another time-period: _____ Days

Please describe how the activities being claimed on this project address an immediate threat to life, public health, or safety:

Please select the reason why the activities being claimed on this project are the legal responsibility of the Applicant:

- The Applicant is a government organization and the state's, tribe's, or territory's constitution or laws delegate jurisdictional powers to the Applicant.
- The Applicant is a PNP organization that owns and/or operates medical facilities, as defined in Title 44 of the Code of Federal Regulations (44 C.F.R.) §206.221(e)(5).
- A statute, order, contract, articles of incorporation, charter, or other legal document makes the Applicant responsible to conduct the activities for the general public. Please explain:

For other reasons. Please explain:
