Live Polling Questions for TH19

Dear RIC 2023 attendees:

Thank you for attending the U.S Nuclear Regulatory Commission's (NRC's) 35th Annual Regulatory Information Conference (RIC). Please find live polling questions for this session below. The estimated burden to respond to this voluntary information collection is less than 1 minute. The information provided will be used to inform the discussion during the session and improve future interactions with industry. Send comments regarding the burden estimate by e-mail to infocollects.resource@nrc.gov. If a means used to impose an information collection does not display a currently valid OMB control number, the NRC may not conduct or sponsor, and a person not required to respond to, the information collection.

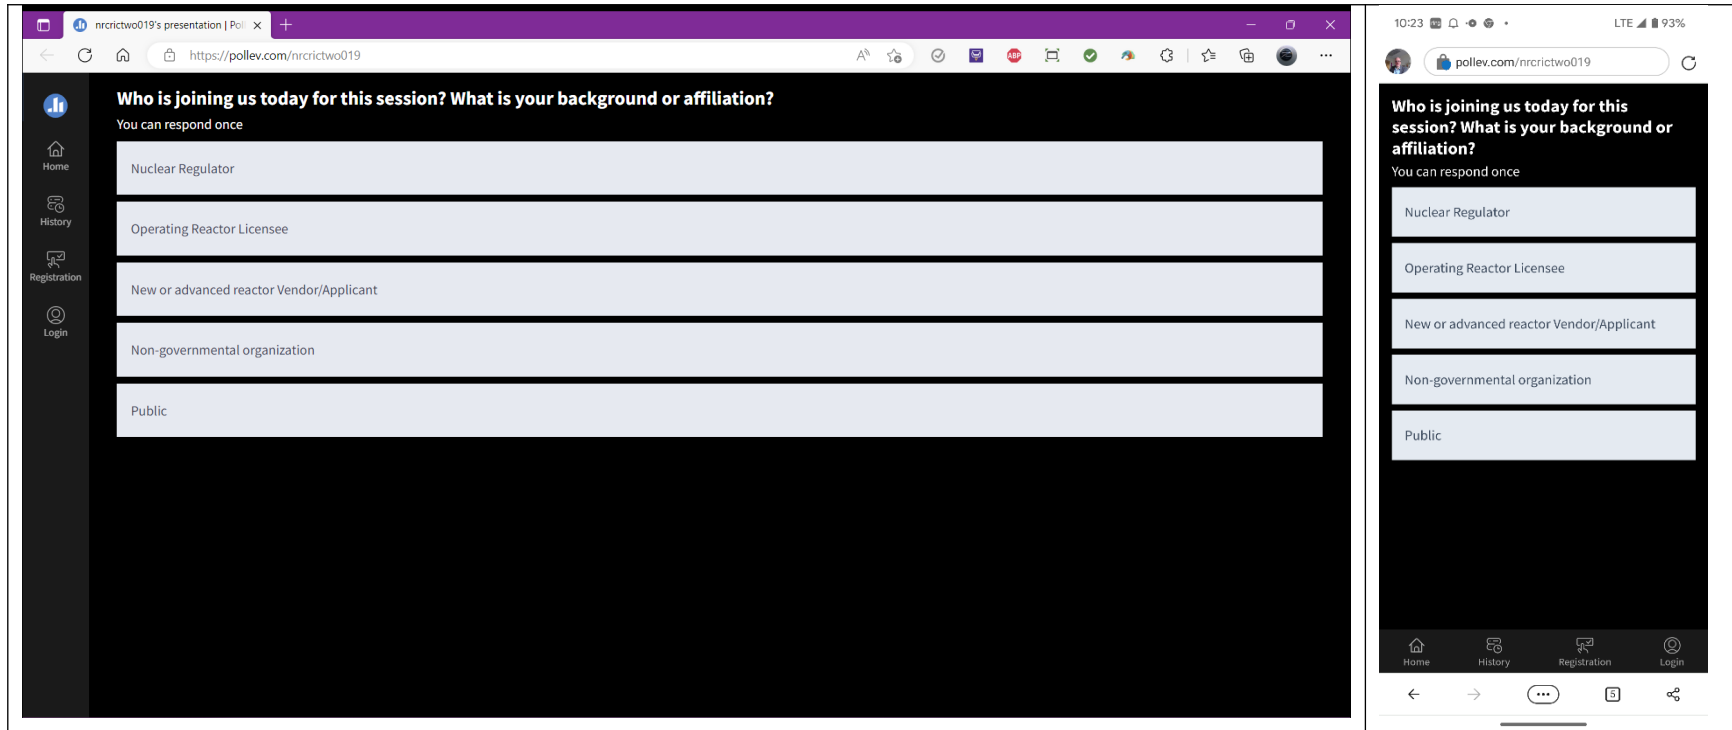

Please note, your responses are anonymous, and data will be presented in aggregate form. Again, thank you for your support of the RIC!
