12. Estimate of Respondent Reporting Burden

Estimated Reporting Burden

Information Collection Title	OMB Control Number	Number of Responses	Burden Hours
Form S-4	3235-0324	588	561,671

For purposes of the Paperwork Reduction Act ("PRA"), we estimate that Form S-4 takes approximately 3,820.89 hours per response to comply with the collection of information requirements and is filed by 588 respondents. We derived our burden hour estimates by estimating the average number of hours it would take an issuer to compile the necessary information and data, prepare and review disclosure, file documents and retain records. In connection with rule amendments to the form, we occasionally receive

PRA estimates from public commenters about incremental burdens that are used in our burden estimates. We believe that the actual burdens will likely vary among individual issuers based on the nature of their operations. We further estimate that 25% of the collection of information burden is carried by the registrant internally and that 75% of the burden of preparation is carried by outside professionals retained by the company. Based on our estimate, we calculated the total reporting burden to be 561,671 hours ((25% x 3,820.89 hours per response) x 588 responses). For administrative convenience, the presentation of the total related to the paperwork burden hours has been rounded to the nearest whole number. The estimated burden hours is made solely for the purpose of the Paperwork Reduction Act.

13. Estimate of Total Annualized Cost Burden

Estimated Total Cost Burden

Information Collection Title	OMB Control Number	Number of Responses	Burden Hours
Form S-4	3235-0324	588	\$1,011,007,494

We estimate that 75% of the 3,820.89 hours per response (2,865.6675 hours) is prepared by outside counsel. We estimate it will cost approximately \$600 per hour (\$600 per hour x 2,865.6675 hours per response x 588 responses) for a total annual cost burden of \$1,011,007,494. We estimate an hourly cost of \$600 for outside legal and accounting services used in connection with public company reporting. This estimate is based on our consultations with registrants and professional firms who regularly assist registrants in preparing and filing disclosure documents with the Commission. Our estimates reflect average burdens, and therefore, some companies may experience costs in excess of our estimates and some companies may experience costs that are lower than our estimates. For administrative convenience, the presentation of the total related to the paperwork cost burden has been rounded to the nearest dollar. The cost estimate is made solely for the purpose of the Paperwork Reduction Act.

14. Costs to Federal Government

The annual cost of reviewing and processing disclosure documents, including registration statements, post-effective amendments, proxy statements, annual reports and other filings of operating companies amounted to approximately \$125,800,170 in fiscal year 2021, based on the Commission's computation of the value of staff time devoted to this activity and related overhead.

15. Reason for Change in Burden**Change In Burden**

Information Collection Title	OMB Control Number	Cost per Hour	Cost Burden Adjustment
Form S-4	3235-0324	\$600	\$334,581,715

The increase in cost burden of \$334,581,715 is due an adjustment in how the cost burden is calculated. We recognize that the costs of retaining outside professionals may vary depending on the nature of the professional services, but for purposes of this PRA analysis, we estimate that such costs would be an average of \$600 per hour. We are increasing the cost estimate to \$600 per hour to adjust the estimate for inflation from August 2006 to the present.

16. Information Collection Planned For Statistical Purposes

The information collection is not planned for statistical purposes.

17. Approval to Omit Expiration Date

We request authorization to omit the expiration date on the electronic version of the form. Including the expiration date on the electronic version of the form will result in increased costs, because the need to make changes to the form may not follow the application's scheduled version release dates. The OMB control number will be displayed.

18. Exceptions to Certification for Paperwork Reduction Act Submissions

There are no exceptions to certification for Paperwork Reduction Act submission.

B. STATISTICAL METHODS
