The information you provide will be used for statistical purposes only. Your response will be kept confidential and any person who willfully discloses ANY identifiable information about you or your operation is subject to a jail term, a fine, or both. This survey is conducted in accordance with the Confidential Information Protection and Statistical Efficiency Act of 2018, Title III of Pub. L. No. 115-435, codified in 44 U.S.C. Ch. 35 and other applicable Federal laws. For more information on how we protect your information please visit: https://www.nass.usda.gov/confidentiality. Response to this survey is voluntary.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB number is 0535-0088. The time required to complete this information collection is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Earlier this season you gave a representative from our office information about the cotton acreage on your farming operation. We are now collecting information to help determine cotton production in (Your State) and the United States.

	JUNE PLANTED ACRES
Earlier this season, the number of upland cotton acres you planted or intended to plant for all purposes on all the land you operate in the tract was:	
	DO NOT CHANGE

- 1. Now I want to update this upland cotton acreage information. What is the current number of upland cotton acres you planted for all purposes on all the land you operate in the tract?
- 2. What are the total acres of upland cotton for harvest on all the land you operate in the tract?

	114	
ACRES		
	102	
ACRES		

Now, I need to identify one (or more) of your upland cotton field(s) and get their acreage.

## Notes:

• For the Sample Field(s) in the tract, complete Table A for the cotton field(s) based off the cardinal directions indicated on the label (e.g., northern most field)

## Table A
