

**OMB Control Number:** 0560-00309.

**Title of Clearance:** Emergency Relief Program (ERP) Phase 1 and Phase 2.

**Agency Form Number affected by Change Worksheet:** Not Applicable.

**Other Changes:** The justification for the change request is to merge the 0560-0313 information collection request (ICR) with the approved 0560-0309 ICR. These requests are being merged because ERP Phase 1 and Phase 2 should be under the same OMB control number (0560-0309) and have the same function of the program.

As a result of the merger, the number of respondents increased by 48,402, the number of responses increased by 100,918 and the number of burden hours increased by 54,992. The 0560-0313 ICR will be discontinued upon OMB approval.

The new total burden for this request is 147,302.
