According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0581-0169. The time required to complete this information collection is estimated to average 8 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information

Section 2: Business Name

If you manage **more than one location** under the same exact market name, please treat each location as **an individual farmers market**. You will need to fill out a directory form for each location of that farmers market.

In such a situation, feel free to type only the same exact name of each of your farmers markets or you can extend the name by adding a distinguishing indicator for each location.

For example, you can leave **City Market** as is for each location or you can extend the name into:

- **City Market – Winter** in one listing, **City Market - Summer** in another listing
- **City Market - Wednesday** in one listing, **City Market – Saturday** in another listing
- **City Market – I** in one listing, **City Market—II** in another listing
- **City Market—High Street** in one listing, **City Market—Downtown Plaza** in another listing
- or any other way you let your customers know about your farmers market name and its location.
