Each form should be numbered according to "APC Form 1," "APC Form 2," and so forth throughout all regulations and documents, instead of "Form 1" or "APC 1." No changes were necessary to the "APC Form 3" or to the nine ballot, nomination, or referendum forms with "SC" identifiers also contained in OMB No. 0581-0291.

The overall burden for this approved 0581-0291 collection would increase by +305 hours from 2,931 burden hours to 3,236 burden hours; and responses would decrease from 9,344 to 8,654 responses due to the modifications described above.
