By checking this box you are indicating interest only. You must still contact the NROTC Unit at the Minority Serving Institution you wish to attend in order to begin the nomination process for the MSISR scholarship.

OK Cancel

School Choices questions are the same for all options; however, school list is shorter when the Nurse Corps option is selected.

School Choices

Enter the Colleges and Universities you wish to attend if selected for a Scholarship. You must select five (5) schools. If selected, you WILL BE PLACED AT YOUR FIRST CHOICE SCHOOL. Your second through fifth school choices are used to measure interest in the NROTC program at those schools only. Do not include service academies. Indicate how strongly you feel about attending your first choice school in the strength of preference box below.

To select a College or University - click on the button under choice. This will take you to a pop-up window where you will first select the State, then the Unit, and/or Cross-town/Affiliate. The unit number and institution name will be auto-filled from that pop-up.

Choice	Unit No.	Institution	Delete
1st choice			X
2nd choice			X
3rd choice			X
4th choice			X
5th choice			X

You are still responsible for applying to and being accepted for admission to the college or university that you selected. Being selected for a scholarship and placed at a college or university does not guarantee you admission to that college or university. We strongly suggest that you apply to more than just your first choice school. If selected for a scholarship, it will be PLACE AT YOUR FIRST CHOICE SCHOOL and may not be used at any other NROTC school without prior approval. You must apply to, be accepted at, and enroll in your assigned school in order to utilize the scholarship. Applying to more than just your first choice school will increase the chances for acceptance and enrollment and will therefore increase the opportunities to use a scholarship if selected.

Applications will not be reviewed unless five NROTC colleges or Universities are selected.

Again, if selected YOU WILL BE PLACED AT YOUR FIRST CHOICE SCHOOL.

Pop-up window is triggered upon selecting any of the 5 school choice buttons:

A screenshot of a pop-up window titled "Please select the University of your choice". Below the title, it says "* Indicates a state university". The window contains two dropdown menus: "State" with the text "-- Select a State --" and "NROTC Unit's Host & Crosstown Schools" with the text "-- Select a Host or Crosstown Unit --". Below these dropdowns is a "Select" button.

The 'Major' drop down menu is dependent on the 1st choice school.

A screenshot of a form section with a light gray background. It contains three main sections, each with a red asterisk icon:

- Strength of Preference for 1st choice school:** Three radio button options:
 - ☐ Will go to any NROTC school if awarded scholarship
 - ☒ Prefer 1st choice school but wouldn't mind attending 2nd through 5th choice schools
 - ☐ Will accept scholarship only if assigned to first choice school
- Why did you choose these schools?** A text input field with a blue link "Remarks are limited to 1000 Characters" above it.
- Indicate the major you intend to pursue at your first choice school.** A dropdown menu.
- What have you done to prepare for this major?** A text input field with a blue link "Remarks are limited to 1000 Characters" above it.
