PM-STD-6	Control health care quality by monitoring and reporting on health care quality	Control health care quality by monitoring and reporting on health care quality	Percentage	Percentage	Number of patients with a health care quality score of 4 or 5	Number of patients with a health care quality score of 1, 2, 3, 4, or 5	Quarterly	Electronic	Agency	Quarterly	Agency	Agency	Agency	2010	2012	NA

Columns Header Definitions	
Program Objective / Key Result Area	A general statement about a program's purpose or goal. Note: Multiple performance measures may be used to assess impact of a program.
Performance Measure Title	The title of the performance measure. Note: Multiple performance measures may be used to assess impact of a program.
Regulation Targeted	Indicates the regulation or regulations that the performance measure is intended to assess. For example, "Control health care quality by monitoring and reporting on health care quality."
Unit of Measurement	The unit of measurement for the performance measure. For example, "Percentage."
Numerator	The numerator of the performance measure. For example, "Number of patients with a health care quality score of 4 or 5."
Denominator	The denominator of the performance measure. For example, "Number of patients with a health care quality score of 1, 2, 3, 4, or 5."
Reporting Frequency	The frequency of reporting for the performance measure. For example, "Quarterly."
Reporting Method	The method of reporting for the performance measure. For example, "Electronic."
Report Level	The level of reporting for the performance measure. For example, "Agency."
Report Period	The period of reporting for the performance measure. For example, "Quarterly."
Data Source	The source of data for the performance measure. For example, "Agency."
Agency or Owner	The agency or owner of the performance measure. For example, "Agency."
Reporting Method	The method of reporting for the performance measure. For example, "Agency."
Baseline Year	The baseline year for the performance measure. For example, "2010."
Target Year	The target year for the performance measure. For example, "2012."
Target Value	The target value for the performance measure. For example, "NA."

HR201201 - Integrated HR Programs for Health Departments to Support Quality
 HR Number: HR201201
 HR Title: HR201201
 HR Description: HR201201
 HR Effective Date: 01/01/2012
 HR Expiration Date: 12/31/2012
