

## **SAMPLE EMAIL**

Dear Colleagues,

The 11th Annual Symposium on Global Cancer Research (ASGCR2023) with the theme “Closing the Research-to-Implementation Gap” will be held virtually April 4 - 6 2023, as a satellite meeting to the 14th Annual Consortium of Universities for Global Health (CUGH) Global Health Conference. Each year, the Symposium recognizes one outstanding professional who embodies virtue and eminence in cancer research, practice, and/or training in a low- and middle-income country (LMIC) setting.

The ASGCR 2023 Steering Committee is pleased to announce a call for nominations for the 2023 Rachel Pearline Award. The nominee will be recognized at the Symposium on April 6, 2023. Nomination submission guidelines and additional information can be found on the website. The deadline to submit nominations for consideration is Sunday, November 27, 2022.

Regards,

ASGCR Rachel Pearline Award Committee
