

OMB# 0925-0766; Exp date 04/30/2023

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate, or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, Maryland 20892-7974, ATTN: PRA (0925-0766). Do not return the completed form to this address.

NIMH Peer Reviewer Registration

To fund the best mental health research, we need diverse and inclusive peer review committees. The National Institutes of Mental Health (NIMH) is looking to expand the pool of peer reviewers with mental health researchers who can bring diverse perspectives to the peer review process.

Successful applicants should:

1. Have an academic and/or professional doctorate degree.
2. Have at least 1 year of experience at the instructor level or higher. Post-doctoral fellows might be considered if they have at least 5 years of experience.
3. Demonstrate evidence of an active research program through things like publications and funded research studies.

If you meet these qualifications, please fill out this registration form to be considered as a potential reviewer for NIMH.

* Required

1. First Name *

2. Last Name *

3. Work Address *

4. Phone Number *

11. Prior Peer Review Experience *

- Yes
- No

12. Please describe your experience

Enter your answer

13. What diverse perspectives will you bring to the review panel?

Enter your answer

14. In order to have a completed application, it is required that you submit a CV or Biosketch (Word or PDF format) to NIMH-ReviewerGroup@groups.nih.gov. When emailing your CV, please do so using the same email address that you provided in item 5 above. Please check the Yes box below to indicate that you are aware of this *

Yes

15. In order to have a completed application, it is required that you have a Commons ID. Please provide your Commons ID below or click on the following link to establish one:
https://www.era.nih.gov/erahelp/ams_new/#Create_Accounts/Create_User_Accts/Create_Acct_External.htm *
