ScHARe Think-a-Thons

ScHARe (*Science Collaborative for Health disparities and Artificial intelligence bias REduction*) Think-a-Thons are virtual meetings for people conducting health disparities, health outcomes, and artificial intelligence (AI) bias mitigation research.

Think-a-Thons enable researchers, teachers, and students at all levels to share knowledge and develop innovative multi-disciplinary research projects leveraging the cutting-edge, low-cost AI and cloud computing tools available on the ScHARe platform.

Registration Form

Think-a-Thon Date: February 15, 2023 (2:30 pm – 4:30 pm)

Think-a-Thon Topic: Artificial Intelligence and Cloud Computing basics

The questions marked with an asterisk (*) are required.
