Post-Focus Group Feedback

- Who was your facilitator?
- How was your experience with the ANA NOFO Focus Group?
 - (ranking? Or open ended? Or both?)
- How would you rate today's focus group facilitator?
 - (scale? or is there something in particular want to know related to the facilitator from communication, organizing the group, structure of the session?)
- Reflecting on your experience today, how can ANA make the application process more equitable?
- If ANA was going to facilitate focus groups again, what could ANA do to improve the experience for participants?
- Any additional comments or thoughts want to share with ANA.
