Instrument 2. Team meeting qualitative feedback questions

The following questions will be asked quarterly during regularly scheduled team meetings between dissemination pilot teams and Mathematica staff. Questions will only be asked about resources participants are currently using. The set of questions selected for each meeting will take about 10 minutes to complete.

1. What suggestions do you have for us to improve the following FCL tools and resources?

FCL Tool	Open-ended response
Site Self-Assessment	
PDSA Worksheet	
Collaborative Change Framework	
Action Planning Form	
Data collection planning worksheet	
LADDERS Framework	
Racial Justice Framework	

2. What suggestions do you have for us to improve the guidance for using the following FCL tools and resources?

FCL Tool	Open-ended response
Site Self-Assessment	
PDSA Worksheet	
Collaborative Change Framework	
Action Planning Form	
Data collection planning worksheet	
LADDERS Framework	
Racial Justice Framework	

3. What other content or resources should we consider for the future? (Open-ended)
