Under the Paperwork Reduction Act, a Federal agency generally cannot conduct or sponsor, and the public is generally not required to respond to, an information collection, unless it is approved by OMB and displays a valid OMB Control Number. Use of this template is voluntary. The template ensures that national Alliance participants provide required information about Alliance activities to OSHA. OSHA estimates employer burden for the completion of this collection of information ranges from 1 to 8 hours, with an average of 1.5 hours. This estimate includes the time for reviewing instructions, assembling data and information, and responding to the questions.
