OMB Control No.: 1902-0019

Type of Request: Three-year extension of the FERC Form No. 73 information collection requirements with no changes to the current reporting requirements.

Abstract: The Commission collects FERC Form No. 73 information as part of its authority under the Interstate Commerce Act, 49 U.S.C. 60501, *et al.* FERC Form No. 73 contains necessary information for the review of oil pipeline companies' proposed depreciation rates, as regulated entities are required to provide service life data illustrating the remaining physical life of an oil pipeline's properties. The Commission implements these filing reviews under the purview of 18 CFR Part 357.3, *FERC Form No. 73, Oil Pipeline Data for Depreciation Analysis*, and 18 CFR Part 347. Parts 357.3 and 347 require an oil pipeline company to submit information under FERC Form No. 73 when: (1) requesting approval for new or changed depreciation rates of an oil pipeline; or (2) being directed by the Commission to file the service life data during an investigation of its book depreciation rates.

Type of Respondent: Oil pipeline companies.
