Abstract: Under the current unprecedented national health emergency, the legislative and executive branches of government have come together to offer relief to those individuals and industries affected by the COVID-19 virus under the Coronavirus Aid, Relief, and Economic Security (CARES) Act (Pub. L. 116-136) authorized on March 27, 2020 and expanded through the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act, and the American Rescue Plan.

The Department awards Governor's Emergency Education Relief (GEER) grants to Governors (States) and analogous grants to Outlying Areas for the purpose of providing local educational agencies (LEAs), institutions of higher education (IHEs), and other education related entities with emergency assistance as a result of the coronavirus pandemic. The Department has awarded these grants to States (Governor's offices) based on a formula stipulated in the legislation. The grants are also awarded to Outlying Areas based on the same formula: (1) 60% on the basis of the State's or Outlying Area's relative population of individuals aged 5 through 24. (2) 40% on the basis of the State's relative number of children counted under section 1124(c) of the Elementary and Secondary Education Act of 1965 (ESEA). The grants are awarded to Outlying Areas based on the same formula. Data collected through this information collection will inform Department monitoring and oversight, and public reporting.

This information collection requests approval for a revision to a previously approved collection that includes annual reporting requirements to comply with the requirements of the GEER program and obtain information on how the funds were used. The revisions reflect a streamlining of the approved collection form requests for additional reporting under CRSSA. In accordance with the Recipient's Funding Certification and Agreements executed by GEER grantees, the Secretary may specify additional forms of reporting.
