

Table 1: Annual Respondent Burden and Cost – NSPS for Automobile and Light Duty Truck Surf

92.59

Burden Item	(A) Person hours per occurrence	(B) Number of occurrences per respondent per Year	(C) Person hours per respondent per year (AxB)	(D) Number of respondents per Year ^a	(E) Technical person hours per year (Cx D)
4b(ii) Reporting requirements					
Familiarization with regulatory requirements	2	1	2	44	88
Familiarization with CEDRI and CDX registration.	2.0	1	2.0	44	88.00
VOC emission reports ^c	1	4	4	44	176
Temperature reports ^d	1	2	2	44	88
TOTAL LABOR BURDEN AND COST					

Assumptions

^a We have assumed that there are approximately 44 existing respondents, and no new respondents over the next 3 years of this

^b This ICR uses the following labor rates: \$135.18 per hour for Executive, Administrative, and Managerial labor; \$92.59 per hour for Clerical labor. These rates are from the United States Department of Labor, Bureau of Labor Statistics, "May 2020 National Employment and Wage Estimates NAICS 336100 – Motor Vehicle Manufacturing." The rates are from column 8, "Mean hourly wage rate" and are multiplied by 110 percent to account for varying industry wage rates and the additional overhead business costs of employing workers beyond expenses associated with hiring, training, and equipping their employees.

^c We have assumed each respondent will submit 4 quarterly VOC emission reports per year.

^d We have assumed each respondent will submit 2 temperature reports per year.
