
MEMORANDUM

TO: VBA PUBLICATIONS CONTROL OFFICER
FROM: DANIEL G ELLIS, VA LIFE INSURANCE CENTER
SUBJECT: NON-SUB CHANGE FOR DESIGNATION OF BENEFICIARY - GOVERNMENT LIFE INSURANCE FORM
DATE: AUGUST 4, 2022

The VA 29-336 Designation of Beneficiary - Government Life Insurance Form, is used for veterans to update their beneficiary information.

We are updating this form to make it easier for veterans to separate their principal beneficiaries from their contingent beneficiaries. Therefore, we are adding a 4th principal beneficiary to page three. We are moving SECTION III heading to page 4 with only 2 contingent beneficiaries and removing the 3rd contingent beneficiary information. Pages 1, 2 and 5 will not be affected. Separating the principal and contingent beneficiaries to their own pages will make listing beneficiaries easier.

These modifications will not change any previous calculations. Therefore, this is a non-substantial change.

Thank you
