Thank you for agreeing to complete the MD STARnet Living With Muscular Dystrophy Survey. This survey should take about 20 minutes but may take longer depending on your personal experiences. You may skip any questions you do not wish to answer. You may also choose to stop the survey at any time or choose to stop and continue at a later time. The survey will restart where you left off.

We will ask about your experience with COVID-19, flu, and vaccination; chronic pain and fatigue related to your muscular dystrophy; and your experiences with family planning. All of your answers will be kept private. We will not publish any information that can be linked to you. If you have any questions about the survey, please contact the survey coordinator listed in your letter.

Public reporting burden of this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; Attn: OMB-PRA (0920-New)
