

2016 (old version)	2023 (new version)	Type of Change	Reason for Change	Burden Change
"Definition of Uncompensated Care" field	[deleted]	Deletion	Template field was not being utilized, and its removal allowed for a more simplified form that translates between platforms more easily.	No
Row 2 with column headings A-R	[deleted]	Deletion	With the removal of the "Definition of Uncompensated Care" field, the form can utilize the built in Excel column headings to navigate data, rendering this row unnecessary.	No
Rows 3, 4, and 5	Row 1	Revision	Column headings were spread across three rows, complicating the form. This change simplifies that for ease of use of the data and for screen readers.	No
Column heading: State Estimated Hospital-Specific DSH Limit	Column heading: Estimate of Hospital-Specific DSH Limit	Revision	Revised to align with regulatory language.	No.
Column heading: State-Defined Eligibility Statistic	Column heading: State-Defined DSH Qualification Criteria	Revision	Revised to align with regulatory language.	No
Column heading: Regular IP/OP Medicaid FFS Rate Payments	Column heading: IP/OP Medicaid FFS Rate Payments	Revision	Revised to align with regulatory language.	No
Column heading: Supplemental / Enhanced IP/OP Medicaid Payments	Column heading: Supplemental / Enhanced Medicaid IP/OP Payments	Revision	Revised to align with regulatory language.	No
Column heading: Total Medicaid IP/OP Medicaid Payments	Column heading: Total Medicaid IP/OP Payments	Revision	Revised to align with regulatory language.	No
Column heading: Total IP/OP Indigent Care/Self-Pay Revenues	Column heading: Total Uninsured IP/OP Revenue	Revision	Revised to align with regulatory language.	No
Column heading: Total IP/OP Uninsured Cost of Care	Column heading: Total Cost of IP/OP Care for Uninsured	Revision	Revised to align with regulatory language.	No
Column heading: Total Uninsured Uncompensated Care Costs	Column heading: Total Uninsured IP/OP Uncompensated Care Costs	Revision	Revised to align with regulatory language.	No
Column heading: Total Eligible Uncompensated Care Costs	Column heading: Total Annual Uncompensated Care Costs	Revision	Revised to align with regulatory language.	No
[none]	New column heading: Disproportionate Share Hospital Payments	Addition	This data element was already required in DSH audit reports. In practice we found inclusion of this in the template allowed for ease of reference between relevant monetary figures.	No
Column heading: Total Hospital Cost	Column heading: Total Hospital Cost	Revision	Typo correction	No
[none]	New column heading: Financial Impact of Audit Findings	Proposed addition	This column heading relates to the proposed additional data element in CMS-2445-P. The placement aligns with the proposed placement in the regulation.	Yes, this represents a proposed additional data element. The additional burden to produce this data point is reflected in the PRA package.
[none]	Row divider for Institute for Mental Disease	Addition	The form requires states (through their auditors) to list DSH hospitals, Institutes for Mental Disease, and Out of State Hospitals. In practice, submitters have added this text to the list of Hospital Names to denote the beginning of the list for IMDs. We are adding it officially to align with that practice.	No
[none]	Row divider for Out of State DSH Hospitals	Addition	The form requires states (through their auditors) to list DSH hospitals, Institutes for Mental Disease, and Out of State DSH Hospitals. In practice, submitters have added this text to the list of Hospital Names to denote the beginning of the list for out of state DSH hospitals. We are adding it officially to align with that practice.	No

Type of Change: Rev = Revision, Del = Deletion, Add = Addition, and Red = Redesignation.

Sheet name; Sheet 1	Sheet name: DSH DataElementsReport Template	Revision	This revision adds a name to the sheet with the Data Elements Report template, to differentiate the sheets of the template and assist users of screen readers.	No
[none]	New Sheet: Data Dictionary	Addition	We are adding a data dictionary we had provided to users of this template, to have available in one location. The data dictionary serves as a guide for how the cells of the DSH data elements report template should be populated, if required.	No

Type of Change: Rev = Revision, Del = Deletion, Add = Addition, and Red = Redesignation.
