NOTICE TO USERS: This is a Federal computer system and is the property of the United States Government. This system is for authorized use only. All users (authorized or unauthorized) have no explicit or implicit expectation of privacy. Unauthorized or improper use of this system may result in administrative disciplinary action and civil and criminal penalties. By continuing to use this system you indicate your awareness of and consent to these terms and conditions of use. CLOSE THIS WINDOW IMMEDIATELY if you do not agree to the conditions stated in this warning.

If you have any technical problems with eXCHANGE, please send an email to InfrastructureExchangeSupport@hq.doe.gov with the FOA name and number in the subject line.

Protecting Your Privacy

When you visit this Department of Energy (DOE) site to submit your proposal, you will be providing information to another government agency acting on behalf of the Department of Treasury's Internal Revenue Service (IRS) for a tax administration purpose. Applications, communications between DOE and applicants, and other records created while determining allocations and credits are considered return information of the IRS. DOE will protect your privacy in accordance with the IRS's tax information protection standards for protecting your taxpayer data under the Internal Revenue Code Section 6103 and other federal regulations. For more information on the way DOE protects your information, please review the DOE's privacy policy at www.energy.gov/privacy; for more information on how IRS protects tax information, please review the IRS's privacy policies at www.irs.gov/privacy.

WARNING

This system may contain government information, which is restricted to authorized users ONLY. Unauthorized access, use, misuse, or modification of this computer system or of the data contained herein or in transit to/from this system constitutes a violation of Title 18, United States Code, Section 1030, and may subject the individual to criminal and civil penalties pursuant to Title 26, United States Code, Sections 7213, 7213A (the Taxpayer Browsing Protection Act), and 7431. This system and equipment are subject to monitoring to ensure proper performance of applicable security features or procedures. Such monitoring may result in the acquisition, recording, and analysis of all data being communicated, transmitted, processed, or stored in this system by a user. If monitoring reveals possible evidence of criminal activity, such evidence may be provided to Law Enforcement Personnel. ANYONE USING THIS SYSTEM EXPRESSLY CONSENTS TO SUCH MONITORING.

This is a Department of Energy (DOE) computer system. DOE computer systems are provided for the processing of official U.S. Government information only. All data contained within DOE computer systems is owned by the DOE, and may be audited, intercepted, recorded, read, copied, or captured in any manner and disclosed in any manner, by authorized personnel. THERE IS NO RIGHT OF PRIVACY IN THIS SYSTEM. System personnel may disclose any potential evidence of crime found on DOE computer systems to appropriate authorities. USE OF THIS SYSTEM BY ANY USER, AUTHORIZED OR UNAUTHORIZED, CONSTITUTES CONSENT TO THIS AUDITING, INTERCEPTION, RECORDING, READING, COPYING, CAPTURING, and DISCLOSURE OF COMPUTER ACTIVITY.
