IPC Approval Directions (Note: This section is to be completed by the IPC):

All LEA applicants must develop the project with the participation of an **Indian Parent** Committee selected in accordance with ESEA section 6114(c); and with the written approval of that parent committee. (ESEA Section 6114(c)(4)).

Attestation: The IPC Chairperson/**Designee** attests that the IPC: (1) participated fully in the planning and development of the FY23 OIE Formula Title VI (A) application, and (2) approves the proposed program as either a regular formula grant program, Title I School-Wide program, or Integration of Services under ESEA Section 6116. The IPC approval date confirms when the proposed program was approved. The IPC also attests that it had an opportunity to review the program in a timely fashion and that the program is consistent with the purpose of the Formula grant program for Indian students. If a Title I School-Wide application was submitted and approved by the IPC, the IPC understands that the Title VI project funds will be combined with Title I and other federal funding. In doing so, the IPC has determined that including project funds within a Title I School-Wide program would not diminish the availability of culturally-related activities for Indian students. The IPC determined that the program will directly enhance the educational experience of Indian students. (ESEA Sections 6114(c)(4)(C) and 6115(c))
