

Federal Communications Commission

Explanation of Non-Substantive Changes to OMB Control Number: 3060-1122:

- Annual Collection of Information Related to the Collection and Use of 911 and E911 Fees by States and Other Jurisdictions
 - Instructions to States and Other Reporting Jurisdictions
-

Purpose of this Submission: The Commission is submitting a non-substantive change request to an existing information collection pursuant to 44 U.S.C. § 3507. This submission seeks to update the Annual Collection of Information Related to the Collection and Use of 911 and E911 Fees by States and Other Jurisdictions.

Summary of Proposed Updates to FCC Annual Collection of Information Related to the Collection and Use of 911 and E911 Fees by States and Other Jurisdictions

- Changing the form to clarify the instructions for and wording of some of the existing questions. These updates do not add any new questions or seek any additional information.
- Proposed Non-Substantive Modifications: B1 (update to footnote 2); B2 (update to footnote 3); C2; F1; G3 (including addition of new footnote 5); H1a; J2; and L1.
- Updating the instructions for and wording of the questions is a non-substantive, clarifying measure to ensure consistent, more accurate and complete, and more efficient reporting and data collection on use of 911 and E911 fees. These changes do not introduce new concepts or measures that have not received public comment.
- There are no changes in the burden hours and no costs are associated with this information collection.
