Selected Balance Sheet Items for Discount Window Borrowers—FR 2046

Week ended Wednesday, _____

This report is authorized by law (12 U.S.C. §§ 225a, 248(a)(2) & (i), 301, 324, 347b, and 3105(c)(2)). The Federal Reserve may not conduct or sponsor, and an organization is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

After approximately a two year lag, the fact that an institution borrowed from the discount window is required to be disclosed under the Dodd-Frank Wall Street Reform

and Consumer Protection Act, 12 U.S.C. § 248(s). Thus, the FR 2046 report will be treated as confidential for approximately two years under exemption 4 of the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552(b)(4). However, if a FOIA request is received after it has already been disclosed that an institution borrowed from the discount window during a specific time period, the institution's FR 2046 report will not be treated as confidential for that time period.
