Hi Michael,

Please see the attached package for OMB Control Number 0584-0594. If you have any questions, please let me know.

We are getting close to the 7 month deadline that we need OMB approval by, so if you could send these back as soon as possible that would be much appreciated!

Thanks,

Subject: New ICR Package

Hi Michael,

My name is Isabelle and I am working on an ICR package for OMB #0584-0594. It should not require any changes in privacy from the currently approved package, but I did want to tell you this will be coming down the pipeline soon because the 60 day notice comments period ended yesterday.

Is there any other information you need from me?

Thank you!
