SUPPLEMENTARY INFORMATION: Pursuant to Pub. L. 104-193, the Personal Responsibility and Work Opportunity

Reconciliation Act of 1996, USDA will disclose data from its Personnel and Payroll System for USDA Employees system of records to the Office of Child Support Enforcement, Administration for Children and Families, Department of Health and Human Services for use in the National Database of New Hires, part of the Federal Parent Locator Service (FPLS) and Federal Tax Offset System, DHHS/OCSE No. 09-90-0074. A description of the Federal Parent Locator Service may be found at 62 FR 51663 (October 2, 1997).

FPLS is a computerized network through which States may request location information from Federal and State agencies to find non-custodial parents and their employers for purposes of establishing paternity and securing support. On October 1, 1997, the FPLS was expanded to include the National Directory of New Hires, a database containing employment information on employees recently hired, quarterly wage data on private and public sector employees, and information on unemployment compensation benefits. On October 1, 1998, the FPLS will be expanded further to include a Federal Case Registry. The Federal Case Registry will contain abstracts on all participants involved in child support enforcement cases. When the Federal Case Registry is instituted, its files will be matched on an ongoing basis against the files in the national Directory of New Hires to determine if an employee is a participant in a child support case anywhere in the country. If the FPLS identifies a person as being a participant in a State child support case, that State will be notified. State requests to the FPLS for location information will also continue to be processed after October 1, 1998.

When individuals are hired by USDA, we may disclose to the FPLS their names, social security numbers, home addresses, dates of birth, dates of hire, and information identifying us as the employer. We also may disclose to FPLS names, social security numbers, and quarterly earnings of each USDA employee, within one month of the end of the quarterly reporting period.

Information submitted by USDA to the FPLS will be disclosed by the Office of Child Support Enforcement to the Social Security Administration for verification to ensure that the social security number provided is correct.

The data disclosed by USDA to the FPLS will also be disclosed by the Office of Child Support Enforcement to the Secretary of Treasury for use in verifying claims for the advance payment of the earned income tax credit or to verify a claim of employment on a tax return.

A "Report on New System," required by 5 U.S.C. 552a(o), as implemented by Transmittal Memoranda 1 and 3 to OMB Circular A-108, was sent to the Chairman, Committee on Governmental Affairs, United States Senate, the Chairman, Committee on Government Reform and Oversight, House of Representatives, and the Administrator, Office of Information and Regulatory Affairs, Office of Management and Budget on January 22, 1998.

Signed at Washington, DC, on January 22, 1998.

Dan Glickman,
Secretary of Agriculture.
