INSTRUCTIONS

Important - Please verify all information listed on the online application is correct, including Ownership Information and vessel information associated with the permit. Update the application with any changes necessary to reflect current ownership information via the National Permits System (NPS) website.

A complete renewal package consists of a complete Federal Limited Entry Deep-Set Buoy Gear Renewal Application Form, a complete Federal Limited Entry Deep-Set Buoy Gear Identification of Ownership Interest Application Form, and payment of required fees. Electronically sign and date this renewal form online to verify that all information is complete, true, and correct to the best of your knowledge.

Federal Limited Entry Deep-Set Buoy Gear Permits expire April 30 of each year. Completed renewal packages must be submitted online via the NPS website between February 1 and March 31 of each year to prevent a lapse in eligibility to fish. Permits will permanently expire on **April 30**. A Federal Limited Entry Deep-Set Buoy Gear Permit that is allowed to expire will not be issued unless the permit applicant requests re-issuance in the form of an appeal by June 30, and NMFS determines that failure to renew was proximately caused by illness, injury, or death of the permit owner. Such medical evidence may include a notice from a physician or any other documentation NMFS may require.

Failure to renew the Federal Limited Entry Deep-Set Buoy Gear Permit permit annually will result in this permit becoming permanently expired and will not be available for any future use.

Transfers- Federal Limited Entry Deep-Set Buoy Gear Permit are **not transferable**, except for a one-time transfer to a family member upon the death or legal incapacitation of the permit holder. A family member would be defined as spouse, domestic partner, cohabitant, child, stepchild, grandchild, parent, stepparent, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandparent, great grandparent, brother, sister, half-brother, half-sister, step-sibling, brother-in-law, sister-in-law, aunt, uncle, niece, nephew, or first cousin. One-time transfers would also apply to the member of a partnership, corporation, or other entity. Changes to ownership, including the addition of individuals or entities as owners of the permit, would otherwise not be allowed. NMFS would not consider it an ownership change if shares among the existing owners changes, or if a member of a partnership, corporation, or other entity leaves and is not replaced. A transfer may not occur if such a transfer will result in a person holding more than one Federal Limited Entry Deep-Set Buoy Gear Permit.

For assistance, please contact the WCR Long Beach Permits Office at 562-980-4238 or e-mail wcr-permits@noaa.gov. All forms associated with with the Deep-Set Buoy Gear Limited Entry Fishery can be found online, by registering for a permit account at <http://fisheriespermits.noaa.gov>.

WARNING STATEMENT- A false statement on this form is punishable by permit sanctions (revocation, suspension, or modification) under 15 CFR 904, a civil penalty of up to \$100,000 under 16 USC 1858, and as a federal crime under 18 USC 1001.

PAPERWORK REDUCTION ACT - A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0648-0204. Without this approval, we could not conduct this information collection. Public reporting for this information collection is estimated to be approximately 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. Some of the information collection described above is confidential under section 402(b) of the Magnuson-Stevens Act. It is also confidential under NOAA Administrative Order 216-100, Protection of Confidential Fisheries Statistics. Phone number, fax and email information and TIN are not released to the public. All responses to this information collection are mandatory/required to obtain benefits pursuant to 50 CFR 660. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the National Marine Fisheries Service at: 501 W. Ocean Blvd., Suite 4200, Long Beach, CA 90802, Attn: Permits Office, wcr-permits@noaa.gov

PRIVACY ACT STATEMENT -

Authority: The collection of this information is authorized under the Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C 1801 et seq., the High Seas Fishing Compliance Act, the Tuna Conventions Act of 1950, the Antarctic Marine Living Resources Convention Act, the Western and Central Pacific Fisheries Convention Implementation Act (WCPFCIA; 16 U.S.C. 6901 et seq), the Marine Mammal Protection Act, the Endangered Species Act and the Fur Seal Act. The authority for the mandatory collection of the Tax Identification Number (TIN) is 31 U.S.C. 7701. Your date of birth and TIN are confidential and protected under the Privacy Act. Provision of your date of birth and TIN is mandatory as part of this collection. The primary purpose for requiring the date of birth is to verify the identity of individuals/entities doing business with the government to provide a unique identification for assistance to comply with the Debt Collection Improvement Act of 1996 (Public Law 104-134) and for enforcement activities.

Purpose: In order to manage U.S. fisheries, the NOAA National Marine Fisheries Service (NMFS) requires the use of permits or registrations by participants in the United States. Information on NOAA Fisheries permit applicants and renewing holders includes vessel owner contact information, date of birth, TIN and vessel descriptive information. Permit holder information may be used as sampling frames for surveys, as part of Fishery Management Council (FMC) analysis to support FMC decisions.

Routine Uses: The Department will use this information to determine permit eligibility and to identify fishery participants. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a), to be shared within NMFS offices, in order to coordinate monitoring and management of sustainability of fisheries and protected resources, as well as with the applicable State or Regional Marine Fisheries Commissions and International Organizations. Disclosure of this information is also subject to all of the published routine uses as identified in the Privacy Act System of Records Notice COMMERCE/NOAA-19, Permits and Registrations for the United States Federally Regulated Fisheries.

Disclosure: Furnishing this information is voluntary; however, failure to provide complete and accurate information will prevent the determination of eligibility for a permit.

This information collected is part of a Privacy Act System of Records, COMMERCE/NOAA #19, Permits and Registrations for United States Federally Regulated Fisheries. An amended notice was published in the Federal Register on XXXX (X FR XXX) and became effective on XXXX (X FR XXX).
