**Third-Party Submissions and Protests**  
**OMB Control Number 0651-0062**

Background

The United States Patent and Trademark Office (USPTO) administers the Leahy-Smith America Invents Act (AIA), which sets or adjusts patent fees established, authorized, or charged under Title 35, United States Code (U.S.C.). Section 10 prescribes that fees may be set or adjusted only to recover the aggregate estimated costs to the Office for processing, activities, services, and materials related to the patent and trademark processes. Section 10 authorities also includes flexibility to set individual fees in a way that furthers key policies factors, while factoring in the cost of the respective services.

This request is to update the fees for small and micro entities attached to collection 0651-0062 (Third-Party Submissions and Protests) that are affected by the rulemaking RIN 0651-AD66. There is one fee in this collection being reduced as a result of the *Unleashing American Innovators Act of 2022*.
