4. What was the maximum number of diagnosis codes (e.g., ICD-10-CM) entered for a single hospitalization in this data submission? (Enter a number such as "10")

5. What was the mean number of diagnosis codes (e.g., ICD-10-CM) that were entered for all hospitalizations in this data submissions? (Enter a number such as "8")

6. Report the percent of all hospitalizations in this data submission that have no diagnosis codes (e.g., ICD-10-CM). (Enter a percent such as "5%")

7. Please identify and describe any major issues that impact the quality of data shared during this data submission time period.

Please briefly describe the problem

8. Who should CDC contact with questions about this data report?
