Project Impact TA Support: Feedback Questions for Grant Recipients

November 2021

THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN:

The purpose of this information collection is to gather feedback from recipients of a Project Impact: CSBG Rapid Cycle Program grant after they attend technical assistance activities. Public reporting burden for this collection of information is estimated to average 5 minutes per respondent, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is 0970-0401 and the expiration date is 06/30/2024. If you have any comments on this collection of information, please contact Roneika Carr at Roneika.Carr@acf.hhs.gov.

The below questions are to gather feedback from recipients of a Project Impact: CSBG Rapid Cycle Program grant after they attend technical assistance activities. The proposed questions gather feedback about their experience attending technical assistance activities and suggestions about ongoing needs and future technical assistance activities. Responses to the proposed feedback questions will be gathered through two means: (1) the registration process for webinars to capture data before an event and (2) web-based surveys following an event. No more than eight questions from the below set will be selected for each technical assistance activity.

	an event and (2) set will be select						re tna	n eignt qi	lestions from
