

**Consultant Network Application
Training and Technical Assistance Expert Consultant**

Thank you for your interest in applying to be a consultant with the National Human Trafficking Training and Technical Assistance Center (NHTTAC), which is administered by ICF on behalf of the U.S. Department of Health and Human Services, Administration for Children and Families, Office on Trafficking in Persons (OTIP). Please complete the Consultant Network Training and Technical Assistance Expert Application as accurately as possible, as this information will be used to match your experience with specific requests for speakers or impact statements. This application will take you approximately 15 minutes to complete. You will then be asked to submit supporting documents via email, including your resume, CV, publications, biographical sketch, and other sample materials such as recordings of presentations, media interviews, PowerPoint presentations, etc. You will be able to save your progress, exit the document, and return to it as needed.

If you need assistance completing this form, or have specific questions, please contact NHTTAC at svega@nhttac.org.

Before proceeding with this application:

Anyone can experience vicarious trauma, compassion fatigue, and burnout at any time, which can disrupt their ability to work in the anti-trafficking field. As a consultant, you may experience situations that can be triggering. Please consider your well-being before submitting the application.

If you feel you are not ready to enroll as a consultant or have questions or concerns about working as a consultant, please contact NHTTAC prior to completing this application. NHTTAC is invested in supporting your professional development and can provide you with alternative resources to help you continue your work in the anti-trafficking field.

Please think carefully about your decision to enroll, and consider talking with your support system before you make your decision. You may also consider measuring your current professional quality of care by using the Professional Quality of Life Scale (PROQOL): http://www.proqol.org/ProQol_Test.html.

- ┆ I confirm that I have considered my role as a consultant, and I feel comfortable completing this application.
- ┆ I am not interested in enrolling as a consultant at this time; however, I would like to be contacted by a training and technical assistance specialist.

In order to be an OTIP consultant, you must be a U.S. citizen or eligible to work in the United States. If you have any questions, please contact NHTTAC at info@nhttac.org.

Are you a U.S. citizen? Yes No

If NO, are you eligible to work in the United States? Yes No

Are you an employee of the federal government? Yes No

Indicate what languages other than English you can speak professionally and your level of proficiency in writing and speaking.

PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of this information collection is to enable NHTTAC to collect recipient and stakeholder feedback to improve NHTTAC's T/TA service delivery. Public reporting burden for this collection of information is estimated to average 0.267 hours per respondent, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This collection of information is required to retain a benefit (22 USC 7104(b) and 7105(c)(4)). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. If you have any comments on this collection of information, please contact the NHTTAC Evaluation Team at NHTTACEval@icf.com or 9300 Lee Highway, Fairfax, VA 22031.

TECHNICAL SKILLS AND EXPERIENCE AREAS

This section gathers information about your general experience in speaking and in delivering training and technical assistance within certain substantive and functional skill areas. For each of the following categories, please confirm that you have 5–7 years of experience providing professional services to or within the fields below by selecting items that align with your capabilities. Be sure that for each item selected, it is reflected in your resume, CV, or other supplemental materials.

Speaking at conference workshops or plenary sessions.

- ┌ **Designing and delivering training** is the planning, development, delivery, and evaluation of activities designed to achieve specific learning objectives for individuals, groups, or organizations. Learning objectives may be achieved using a variety or combination of instructional strategies, and training may include onsite instruction, classroom training, distance learning, self-directed learning, and workshops.
- ┌ **Developing materials and writing** specific to the broader human trafficking field.
- ┌ **Providing capacity building technical assistance** refers to professional development skills that enhance a service provider's ability to support survivors or those at risk of human trafficking through targeted support or intervention to address a developmental need, resolve a problem, or create an innovative approach to an emerging complex issue. Technical assistance may be delivered in many different ways and to varying extents.
- ┌ **Program management**
 - ┌ Board development
 - ┌ Collaboration and coalition building/Coordinated community response
 - ┌ Cultural competency
 - ┌ Fiscal management/Funding strategies
 - ┌ Grants management
 - ┌ Mentorship
 - ┌ Program development
 - ┌ Program evaluation
 - ┌ Staff and recruiting
 - ┌ Strategic planning
 - ┌ Transition management
 - ┌ Trauma informed programs
 - ┌ Volunteer recruitment and retention
 - ┌ Other (Please specify): _____

SUBJECT MATTER EXPERTISE AREAS

Please confirm you have a minimum of 7 years of experience either working within OR providing training and technical assistance to the professional categories listed below. Be sure each item selected is reflected in your resume, CV, or other supplemental materials.

- ┌ Behavioral health professionals (e.g., psychologists, psychiatrists, mental health/substance use counselors)
