CET – Annotated Questionnaire (Wave 71)

> *Note: The questions below are the proposed questions for the 71st wave of the Weekly Current Events Tracker (CET). Questions highlighted in* yellow *will be asked every week; questions highlighted in* blue *will be rotated into the survey on a monthly basis; and questions highlighted in* green *are meant to be asked in this wave only or are being asked again to update data on a variable of interest. We will be fielding questions about booster hesitancy, vaccines for children under 5, school concerns, ventilation, and self-testing.*

For the next section we would like to talk about current events.
