DEPARTMENT OF THE INTERIOR

Bureau of Reclamation

Privacy Act of 1974, as Amended; System of Records

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of minor changes to two systems of records.

SUMMARY: Pursuant to the provisions of the Privacy Act of 1974, as amended (5 U.S.C. 552a), notice is hereby given that the Department of the Interior proposes minor changes to two systems of records managed by the Bureau of Reclamation (Reclamation). These changes are to the systems of records:

“Claims, WBR-5”

“Acreage Limitation, WBR-31”

The above notices are published in their entirety below.

DATES: These actions are effective March 17, 1999.

FOR FURTHER INFORMATION CONTACT: For information regarding “Claims, BOR-5” contact Ms. Debra Lange, Property and Office Services, Policy and Systems Team at (303) 445-2030, or for information regarding “Acreage Limitation, BOR-31” contact Mr. Richard Rizzi, Reclamation Law, Contracts, and Reclamation Office at (303) 445-2900. For general information regarding Reclamation’s Privacy Act program, call Mr. Casey Snyder at (303) 445-2048.

SUPPLEMENTARY INFORMATION: Recent Privacy Act Compilations list the following systems of records with a prefix of “Reclamation” (e.g., Reclamation-5). When originally published in the **Federal Register** these systems of records were identified with an organization prefix of “WBR” (e.g., WBR-5). The content of the systems of records is the same; the prefixes on these systems were changed to reflect organizational changes.

The system of records notices being revised and the reason for revision are listed below:

- Claims, WBR-5, previously published in the **Federal Register** on September 27, 1984 (49 FR 38195). This

publication revises the system location and the system manager’s title and address. Federal Government organization titles have been updated and other minor editorial changes made.

- Acreage Limitation, WBR-31, previously published in the **Federal Register** on March 9, 1994 (59 FR 11085). This publication revises the retention and disposal statement to reflect the revisions to the Acreage Limitation Rules and Regulations, 43 CFR part 426, which became effective January 1, 1998. Specifically, the retention period of the certification and reporting forms (including verification forms) is changed from 3 to 6 years and the Code of Federal Regulations cited is changed from 43 CFR 426.10(h) to 43 CFR 426.19(e). The term “Federal Employer’s Identification Numbers” is changed to “Taxpayer’s Identification Numbers” in the categories of records in the system and the retrievability statements. In addition, the term “Individual Taxpayer’s Identification Numbers” is added to both statements. Organization titles have been updated and other minor editorial changes made. All other changes proposed are editorial in nature.

Rayleen Cruz,

Manager, Property and Facilities Group.
