

Diesel Inventory

EGov login:

The screenshot shows the MSHA EGov login page. At the top, there is a red header with the United States Department of Labor logo and the text "UNITED STATES DEPARTMENT OF LABOR". Below the header, the "Mine Safety and Health Administration" logo is displayed, along with the tagline "MSHA - Protecting Miners' Safety and Health Since 1978". The page includes a search bar, a "Subscribe to E-mail Updates" link, and a "Print This Page" button. The main content area features a "Login" section with fields for "Email Address" (containing "NETTLES.MARY@dol.gov") and "Password" (masked with dots). A "Login" button is positioned below the password field. A "Registration" section contains a link to "New EGov users register here". A "*NOTICE*" section states that as of May 21, 2016, users will be required to change their passwords every 90 days. A warning message at the bottom indicates that the system is for authorized purposes only.

NOTICE
As of **May 21, 2016**, you will be required to change your password every 90 days. The system will prompt you 14 days before expiration and will continue to do so until the password expires or is changed. If there are any questions regarding password expiration, contact the MSHA Help Desk at 1-877-778-6055 or by email at desk.help@dol.gov. Thank you in advance for your cooperation.

First screen:

The screenshot shows the MSHA Diesel Inventory page. The header is identical to the login page. The main content area features a "Diesel Inventory" section with a form. The form has a label "* Mine Id" followed by a text input field containing "1102664". Below the input field is a "Next >>" button. A note below the form indicates that asterisks denote required fields. The footer contains a navigation bar with links for "FAQs", "Freedom of Information Act", "Privacy & Security Statement", "Disclaimers", "Online Filing Help Desk", and "Contact Us".
